**SECTION B - Matters for report**

Nil

215 **RESOLVED:** Cr Best and Cr Diprose that Correspondence sections A and B be noted.
SECTION C - Matters for consideration

1. **Premier and Cabinet, G2.55:** Advising the NSW Department of Premier and Cabinet is pleased to provide Weddin Shire Council notice of their successful projects in Round Two of the Stronger Country Communities Fund.

   Copy forwarded to Councillors

   **Note:** As the ‘Statement of Acceptance of Funding’ had to be signed and returned by 24 October, 2018 this was completed.

   **RECOMMENDATION:** Confirm Action

   **RESOLVED:** Cr Diprose and Cr Parlett that the action be confirmed.

2. **The Hon Steph Cooke MP, A3.19.2:** Member for Cootamundra Steph Cooke today announced more than $1.5 million in funding to give projects in Weddin Shire a boost through round two of the NSW Government’s Stronger Country Communities Fund.

   Copy forwarded to Councillors

   **For Information Noted**

3. **Grenfell Public School, C1.8.2:** Advising our school’s Annual Presentation Day is fast approaching and is scheduled for Monday 10th December 2018. On this day, our students are recognised for their scholastic, sporting and social achievements during the year.

   We thank you for any previous donations and ask that you consider making a donation this year towards the cost of certificates and trophies which will be presented to students on the day.

   Thanking you in anticipation.

   **RECOMMENDATION:** that Council donate $100 to each of the six schools in the Shire towards their annual presentation days.

   **RESOLVED:** Cr Diprose and Cr Best that Council donate $100 to each of the six schools in the Shire towards their annual presentation days.

4. **The Henry Lawson High School, C1.8.3:** Advising we will be recognising our student’s achievements at our Presentation Day ceremony on Wednesday 19 December 2018 at 11.00am.

   We are very proud of our school’s long tradition of academic, school citizenship, sporting, leadership and musical excellence. Recognising the achievements of students is both essential and exciting and a highlight of the school year.

   The school relies almost entirely on the generosity of parents, interested citizens, business houses and other organisations to provide these student awards. We will acknowledge your support in the school’s Presentation Day program, as well as on our Facebook page and in the Lawson’s Latest school newsletter.
5. **Grenfell Junior Rugby League, P2.1.6:** Grenfell Junior Rugby League is requesting Council’s permission to use Lawson Oval to run our Annual Mixed Summer League Tag Competition.

We are looking at the Competition to commence on Monday 19th November 2018 and running throughout the summer months.

The competition will be run on Monday nights between the hours of 6pm – 8.30am approximately.

The Club would like to thank Council for their continual support.

**RECOMMENDATION:** that approval be granted as requested subject to a copy of their public liability policy being provided.

218 **RESOLVED:** Cr Parlett and Cr Brown that approval be granted as requested subject to a copy of their public liability policy being provided.

Cr McKellar entered the room at this point 8.05am.
SUMMARY OF LATE CORRESPONDENCE TO BE PRESENTED TO THE ORDINARY MEETING OF THE WEDDIN SHIRE COUNCIL HELD, 15 NOVEMBER 2018

**RECOMMENDATION:** that the late correspondence be received and dealt with because of the urgency of the matters.

**RESOLVED:** Cr Best and Cr Brown that the late correspondence be received and dealt with because of the urgency of the matters.

6. Office of Sport, G2.1: Thank you for taking the time and effort to apply for the Regional Sports Infrastructure Fund – Grenfell Go-Kart Track Extension. We understand these applications often require significant resources to develop and we appreciate the effort you have made to submit the stage 2 application.

   Demand for grants under the Regional Sports Infrastructure Fund has been exceptionally high. A total of $531 million has been requested from an available funding pool of $100 million.

   I regret to inform you that on this occasion your application was unsuccessful.

   **For Information**

   **Noted**

7. Shane Manning, A3.19.3: Writing regarding Weddin Shire Council’s expression of interest in the Drought Communities Program (DCP).

   Unfortunately, Weddin Shire has not been considered to be an eligible Local Government Area at this stage.

   LGAs were selected based on the level of need, determined using rainfall deficiency data from the Bureau of Meteorology, in conjunction with population and industry data (reliance on agriculture) to assess the overall economic impact of the drought in the region.

   The Liberal and Nationals’ Government will continue to closely monitor conditions across the country as the drought continues, and decisions around funding further LGAs may be considered.

   **For Information**

   **Noted**

**RESOLVED:** Cr Best and Cr Bembrick that the Correspondence be noted except where otherwise resolved.
1. **Grenfell Garden Club, C1.3.28**

I hereby give notice of the following motion at the November 2018 Council Meeting:

“Weddin Shire Council write with formal thanks to the Grenfell Garden Club, congratulating the club on the success of the numerous facets of the 2018 Poppies for Remembrance Project.”

**Comments:** By all accounts it has been an extremely well coordinated project by the Grenfell Garden Club. The clubs’ efforts have been a successful partnership with Council; although with some initial hurdle, we should all be very proud of this collaborative effort. All in all, the project has been an exercise with numerous positive social outcomes for our shire and community.

The Poppy Project in effect assisted to ensure the appropriate commemoration of the 100th anniversary of Armistice, now Remembrance Day 2018 in the Weddin Shire.

The Flanders Poppy plantings coupled with the Grenfell Art Gallery Poppies for Remembrance Exhibit and Business House Window Displays were perfectly complimented with several most reflective public art installations.

All of the above is a credit to the club and community at large who took part in this project.

Signed: ______ Cr Carly Brown ______

**RESOLVED:** Cr Brown and Cr Diprose that Weddin Shire Council write with formal thanks to the Grenfell Garden Club, congratulating the club on the success of the numerous facets of the 2018 Poppies for Remembrance Project.
The Mayor and Councillors
Weddin Shire Council
GRENFELL NSW 2810

Dear Councillors

I wish to report as follows: -

1. **Local Government Reform – Connected Leadership Program, C2.10.9**

   As reported to the October 2018 Council Meeting Mr David Gourlay conducted further sessions with Councillors and staff from the 5-7 November 2018 to review the progress to date and provide further assistance for the future.

   The program review included a combination of one-on-one coaching and development sessions as well as group workshops with Councillors and staff. The one-on-one sessions focussed on reviewing and further developing the behaviours of individual leaders to support a shift in organisational culture, reviewing and re-setting our program to assist us to change our culture and giving us further direction for the future.

   The one-on-one coaching sessions and workshops were excellent and designed to review our progress with the program to ensure that Weddin Shire Council has stronger social structures to support organisational and cultural change.

   **For Information**

   Cr Niven entered the room during this item 8.25am.

   **Noted**

2. **Model code of conduct, C2.4.1**

   Mr Glenn Inglis conducted Code of Conduct training for Councillors on Thursday 25 October 2018 which was preceded by ‘one on one’ sessions for four Councillors on Wednesday afternoon the 24 October 2018.

   By all reports the training was very productive and has afforded Councillors a greater understanding of the Code which will be very beneficial when it is submitted to Council for formal adoption.

   The draft Code will be submitted to Council for adoption within six (6) months of the Code being prescribed by regulation.

   **For Information**

   **Noted**

3. **Annual Report 2017/2018, C2.3.1**

   The 2017/2018 Annual Report is required to be submitted to the Division of Local Government by 30 November 2018.
THE GENERAL MANAGER’S REPORT

The report has been finalised in draft form and a copy will be on display at the Council meeting as well as being forwarded to Councillors. A copy of the final Annual Report will be provided to Councillors after adoption.

The supplementary State of Environment Report has been prepared as an Appendix to the Annual Report. The Financial Statements for 2017/2018 have also been prepared as an Appendix.

Copies of the State of Environment Report and the Annual Statements will be available on request.

**RECOMMENDATION:** that the Annual Report for 2017/2018 including the State of Environment Report be adopted, with the Annual Statements to be separately considered.

**RESOLVED:** Cr Diprose and Cr Bembrick that the Annual Report for 2017/2018 including the State of Environment Report be adopted, with the Annual Statements to be separately considered.

4. **Weddin Regional Health Hub Operation, H1.1.7/P2.12.17**

As previously reported proposals to operate the Weddin Regional Health Hub have been previously received by Council.

The proposal/s are currently being evaluated and a further report has been included in the Closed Council section.

For Information

**Noted**

5. **Weddin Wellness Plan, H1.7.1**

As reported to the October 2018 Council meeting, a draft Wellness Plan has been prepared to better facilitate coordination of health services in the Weddin Shire, to better understand the future health needs of an ageing community and to provide data for informed advocacy and improved health service delivery.

The plan was advertised for public comment for 28 days and closed Friday 10 August 2018 with no comments received. The plan was distributed among health agencies that impact and deliver services in the region with feedback obtained from various health professionals, particularly in regards to the future health needs of the Weddin Shire.

Following adoption a skeleton business plan will be prepared to inform potential investors in health or aged care service providers of opportunities that exist in the Weddin Shire. This can then be used by potential investors to make applications for financial support or grants. Following agreement from the sector that Council will only have a facilitation role consideration will then be given to the appointment of a partnership agent for an initial period of 12 months (part time) and the establishment of the Weddin Wellness Planning Network.

**RECOMMENDATION:** that the Weddin Wellness Plan be formally adopted as presented.

**RESOLVED:** Cr Parlett and Cr Bembrick that the Weddin Wellness Plan be formally adopted as presented.
6. **Regional Growth Fund, G2.1/A3.19.2**

**Stronger Country Communities Fund**

Council’s grant funding application under Round 1 of the Stronger Country Communities Fund (SCCF) which is part of the NSW Government’s $1.3 billion Regional Growth Fund was successful with Council to receive $768,982 to undertake the Main Street infrastructure project. The project will involve upgrading drainage and guttering infrastructure in the Main Street as well as improving Main Street amenities.

The Member for Cootamundra the Hon Steph Cooke MP attended Lawson Oval on Friday 2 November 2018 and officially announced that Council’s grant funding application under Round 2 of the Stronger Country Communities Fund (SCCF) was successful with Council and community groups to receive $1.537 million as follows:

<table>
<thead>
<tr>
<th>Project Title</th>
<th>Grant Value</th>
</tr>

</table>

It was terrific that all the sporting clubs that received funding were represented at Lawson Oval wearing their club colours with representatives speaking on behalf of their sporting group and extending their appreciation and thanks to Steph and the State Government for the grant funding, as well as Council for their assistance with the grant funding application process.

This funding will be a real ‘game changer’ for sport in the Weddin Shire as it will enable us to upgrade our sports facilities to give every person in the Weddin Shire access to ‘State of the Art’ sporting facilities which will assist them in reaching their full potential in their chosen sport.

To assist in administering the grants it is proposed to appoint an administration officer on a part time casual basis to liaise between the State Government, the local community groups and Council to ensure the projects are completed and the grant funding acquitted in the required time frames.

**RECOMMENDATION:**

i) write to the Deputy Premier the Hon John Barilaro MP and the Member for Cootamundra the Hon Steph Cooke MP extending Council’s appreciation and thanks for the grant funding,

ii) authorise the appointment of a part time administration officer to be funded from the (SCCF) program to liaise with community groups to facilitate and co-ordinate the process to complete the projects and acquit the grant funding.
RESOLVED: Cr Brown and Cr McKellar that Council:

i) write to the Deputy Premier the Hon John Barilaro MP and the Member for Cootamundra the Hon Steph Cooke MP extending Council’s appreciation and thanks for the grant funding.

ii) authorise the appointment of a part time administration officer to be funded from the (SCCF) program to liaise with community groups to facilitate and co-ordinate the process to complete the projects and acquit the grant funding.

Regional Cultural Fund

An Expression of Interest (EOI) under Round 2 of this fund has been submitted on behalf of the Grenfell Dramatic Society to upgrade the Grenfell Community Arts Centre building and on behalf of the Grenfell Art Gallery Committee to install solar power for the community hub building and temperature control for the Art Gallery.

We are currently awaiting the outcome.

7. Closure of Grenfell Record Office, C1.3.0

Council and Fairfax representatives met last Thursday 25 October, 2018 to work together to find a solution to the closure of the Grenfell Record Office.

Fairfax representatives advised Council they are introducing a new mobile working model whereby staff will be working possibly one day a week from Cowra and the remainder of the week in Grenfell. Staff will be going out into the community to source news articles for the Grenfell Record which will still be issued twice a week. Fairfax representatives agreed to work with Council to find a suitable central site for residents to meet with the Grenfell Record staff on a regular basis for a limited number of hours per week and another site to allow residents to drop off news articles which is the Grenfell Newsagency.
As a result of these developments the public meeting scheduled for Friday 26 October, 2018 was cancelled.

**RECOMMENDATION:**

Confirm Action

**RESOLVED:** Cr Diprose and Cr Best that the action be confirmed.

8. **Australia Day Awards, C1.5.2**

Nominations for the annual Weddin Shire Australia Day Awards are currently being invited with interested persons and organisations invited to make nominations for the 2019 awards within the categories detailed below:-

- Citizen of the Year
- Senior Citizen of the Year
- Community Event/Organisation of the Year
- Community Achievement Awards in any category
- Achievement Award – each secondary and primary school in the Shire.
- HSC Academic Award – Henry Lawson High School

Nominations will be accepted up until 30 November 2018.

**For Information**

**Noted**

9. **December Council Meeting, C2.8.1**

Councillors are reminded that it was previously resolved that the December Meeting be a morning/day meeting.

Commencement of the meeting in the morning will allow Councillors still involved in harvesting to make best use of the day. It will also allow Council staff to complete their administrative requirements emanating from the Council meeting prior to the office closing on Christmas Eve.

The meeting will commence at 8.00 am on the 20 December, 2018 and the change will be advertised accordingly.

For Information

The QBRS is a financial reporting system that presents a summary of Council’s financial position at the end of each quarter of the financial year.

The QBRS consists of the following statements:

1. Responsible Accounting Officers Statement
2. Income and Expenditure Budget Review Statement – By Type
3. Income and Expenditure Budget Review Statement - By Activity
4. Capital Budget Review Statement
5. Cash and Investments Budget Review Statement
6. Contracts and other expenses Budget Review Statement

The QBRS is designed to:

- Facilitate progress reporting against the original and revised budgets at the end of each quarter
- Provide explanations for major variations
- Enable the responsible accounting officer (RAO) to indicate if council will be in a satisfactory financial position at the end of the financial year.

RECOMMENDATION: that the Quarterly Budget Review Statement to the 30 September 2018 be adopted as presented.

RESOLVED: Cr Diprose and Cr Bembrick that the Quarterly Budget Review Statement to the 30 September 2018 be adopted as presented.
7. *Grenfell Library, C2.8.15*

Activities by the Librarian over the last month included the following:
The librarian has been selected as part of the NSW Book Week Extravaganza 2019 - Organising Committee. Other members include Sutherland, Liverpool, Woollahra and Kiama with Mylee Joseph from the State Library as the convener.

The withdrawal program continued with clean-ups of the Nonfiction, Picture book, Junior Fiction, Magazines, Toys and Young Adult Fiction collections.

We marked one year of BorrowBox this month. There has been a steady increase of users for both eAudiobooks and eBooks.

The Cinema has recommenced with mixed results with the community. The movies have been booked up until Christmas from the National Sound and Film Archives in Canberra.

Preparations for the refurbishment continues with final details now falling into place.

Preparations for the summer holidays are underway with craft supplies for December and January being ordered.

Our first author visit has been booked for late March. Jonathan Gravenor is the author of "The Other Side of Ego." As a broadcast journalist for over 30 years he travelled the world as a foreign correspondent. He thought he had everything until that everything included cancer. The book is a memoir from being diagnosed with late-stage throat cancer to the moment five years later when he was declared cancer free. It is not about the steps he took to heal his physical health, rather about the things he saw in himself when faced with the question, "what kind of man had I become?" And then the steps he took to repair the damages caused by the arrogance of his past. The book won 3rd place in the Memoirs Category at the 2018 Indie Book Awards in the United States. He was invited to speak at a Ted Talk in Florida in November 2017, where it has become the most viewed Ted Talk this past year.

12. **Drought Grants for Freight on Local Roads**

Councils are being encouraged to apply for a share of $15 million the NSW Government is investing to support the increased movement of drought relief. Councils can apply for grants of up to $300,000 to support maintenance and improvement to local roads to accommodate increased freight to drought affected areas. The funding will be considered for, but not limited to:

- shoulder repairs and improvements such as widening to address edge-break and edge drop-off. May be sealed or unsealed,
- heavy patching,
- seals that contribute to minimising long term maintenance costs,
- pavement rehabilitation,
- grading of unsealed roads to reduce roughness and rutting,
- tree trimming to improve access for 4.6-metre-high vehicles,
- installing infrastructure monitoring equipment and/or facilities, and
- signage.

It is proposed to nominate improvements on New Forbes Road starts from Gooloogong Road. It helps with road maintenance and improvement to accommodate increased freight movements. Councillors are invited to advise the Director Engineering of any other projects which could be submitted under the guidelines. No closing date has been mentioned but the project should be completed within the 50 days after the grant approval.

**RECOMMENDATION:** that Council approve the submission for the grant funding application for the New Forbes Road

**Cr Liebich declared a conflict of interest as a property owner on the Forbes Road and left the room.**

**Cr Diprose previously declared a written conflict of interest and left the room.**

**RECOMMENDATION:** that Council approve the closure of the Grenfell Aquatic Centre to the public for the District Development Swimming Carnival to be held on Sunday 9th December 2018.

**RESOLVED:** Cr McKellar and Cr Bembrick that Council approve the closure of the Grenfell Aquatic Centre to the public for the District Development Swimming Carnival to be held on Sunday 9th December 2018.

5. **Quandialla Swimming Pool, P2.3.2**

Council has completed the painting of the pools and installation of the new filtration and chemical dosing systems with the facility opening to the public on 3rd November 2018.

**For Council’s Information Noted**

6. **Under 5 Keep’em Alive, P2.3.1/P2.3.2**

To assist with supervision of children at the aquatic centre, Council has introduced a wrist banding policy procedure for all children under 5 years of age that enter the facility promoting Under 5 Keep’em alive!!

The lack of direct supervision by parents and carers which is a contributing factor in 70% of drownings in public pools, and staff not identifying the lack of parental supervision is seen as an issue.

Both Grenfell and Quandialla currently promote Keep watch in public pools which targets parents/carers to help them understand their responsibilities and dangers of leaving their children unattended.
This practise of wrist banding is now being introduced into a number of facilities to help identify those at higher risk and to make it easier for staff to enforce supervision requirements. Cowra Aquatic Centre will be also introducing the same policy.

The system works in the following way

1. The facility will have the signage to support and promote the wrist band requiring all children 5 years and under to wear a red wrist band at all times within the centre.
2. The parents and guardians are to be within arm’s reach and actively in the water with these children.
3. This requirement becomes a condition of entry into the facility and it supports staff and encourages constant supervision.
4. If a member of the public refused to abide by the requirements of the facility, they will be asked to leave.
5. Bands will be provided at no cost to the user.

These children of high risk are identifiable at all times to staff and the general public.

The facility currently operates under the guidelines of Keep Watch @ Public Pools Policy.

- Children under 10 years are not allowed entry unless under active supervision of a person 18 years. (some pools are 16yrs)
- Children 0-5 years and non-swimmers a parent or guardian is required to be in the water and within arm’s reach at all times.
- Children 6-10 and weak swimmers require constant active supervision.
- Children 11-14 it is recommended that a parent check regularly on them.

Unfortunately, parents do not actively watch their children at all times, and most children over the age of 10 yrs attend the facility without any supervision.

Lifeguards are responsible for all patrons and is an important measure to support staff supervision within that high risk age group. This is another tool to promote, encourage and enforce active supervision to prevent a drowning within this centre.

4. **Grenfell Sewerage Treatment Plant (STP) Upgrades, S1.1.5**

An inception meeting was held on 24 October 2018 with Council’s consultants to plan the actions for the review of the concept design and develop the program for the detailed design stage.

Geotechnical investigations will be carried out on the 13 December to assist with the detailed design.

The Concept Design Review workshop will be held on 5 December 2018 with Council’s design consultants, peer reviewers and state agencies. This workshop is required to ensure agency support for Councils program prior to detailed design commencing and any issues around process can be reviewed and endorsed.

Council has also submitted an application for funding by way of Expression of Interest to the Safe and Secure Water Program for the Grenfell Sewer Treatment Plant Redevelopment. This will now progress through the EOI assessment process and Council will be advised accordingly.

A neighbourhood meeting is planned in December to provide an update to the immediate landowners on the concept design and the next stage.

CENTRAL TABLELANDS WATER (CTW) DELEGATES REPORT

The following is a précis of the items discussed at the October 2018 meeting of Central Tablelands Water:

**Election of Chairman and Deputy Chairman**

The Members of Central Tablelands Water County Council re-elected Cr David Somervaille, representing Blayney Shire Council, as Chairman and Cr Kevin Walker, representing Cabonne Council, as Deputy Chairman, for the next 12 months.

Both Cr Somervaille and Cr Walker are serving their fifth term as Chairman and Deputy Chairman respectively.

**Safe & Secure Water Program (SSWP)**

The General Manager provided an update to Council regarding SSWP funding applications for the following projects:

- Feasibility study ($0.1m) to potentially supply potable water to the Caragabal township and district. An EOI and detailed application will be completed in consultation with Weddin Shire Council, Caragabal Water Scheme Inc and the Caragabal community. (status: drafting EOI and detailed application);
- Gooloogong to Grenfell Trunk Main K (Stage 3) – 11km $3.2m. For CTW to reliably provide supply to Grenfell, the remaining 11km of pipeline will need to be upgraded to 300mm diameter. The construction of 11km 300 mm (high pressure) pipeline between Gooloogong and McDonald’s Lane, Grenfell would ensure secure water supply in peak demand periods and reduce current operational costs. It is also anticipated that with the upgrade of Trunk main K, the CTW network will be more strongly placed to provide a secure water supply to additional regional linkages. (status: drafting detailed application);
- 12 megalitre (ML) reservoir at the Carcoar Water Filtration Plant $5.26m. The objective of the proposal is to combine the current 2ML clear water reservoir with a larger 12ML capacity reservoir to increase clear water storage capacity and thereby reduce the risk of clear water supply failure during periods of high demand, emergency backup to other councils and/or unplanned treatment plant shutdowns. (status: SSWP have requested further information regarding sizing of the requested reservoir).

**Futures Strategic Workshop**

CTW held a Futures Strategic Workshop on 6 September 2018 in Blayney.

The purpose of the workshop was to plan for the future development of CTW as a strong and independent local water utility within the local government sector, with its vital infrastructure developed, strengthened and supplemented for the benefit of CTW’s existing and future customers.

**Financial Statement by Council**

The audited financial statements will be presented at the December Council meeting. It was reported that the draft operating result for 2017/18 before capital was $824k.

**Capital Works Program update**

- The Gooloogong to Grenfell Trunk Main K pipeline replacement project is well underway with approximately 20 kilometres of the total 34 kilometres being completed to date. Stage 2a (3km) is due to commence in December, followed by the last stage, Stage 3 (11km). The total estimated cost of this project is $6.182m. The existing pipeline is cast iron, and while the main has reliably delivered water to the town of Grenfell for the last 70 years, there are some areas of the pipeline that are beginning to fail.
The Regional Water Security Pipeline Project linking the CTW supply system to Orange City Council (OCC) commenced in 2015. This project was originally identified under the Centroc Water Security Study as one of the recommended infrastructure strategies to assist in securing water for the Central Western Region. Ultimately, the project connects CTW and OCC water supply systems and allows the two way movement of water. In times when CTW is short of water, potable supplies could be transferred from Orange. In the event of system failure in the Orange System, potable water could be transferred from the CTW system to Orange. This project is due to be commissioned by the end of November. The estimated total cost of the project is $28.7m ($21.2m NSW Govt, $5m OCC and $2.5m CTW).

Lake Rowlands

The level of Lake Rowlands is currently at 70%.

On 22 October 2018 the Minister for Regional Water, Niall Blair, announced that the NSW government would be committing $850,000 for the preparation of a final business case for a pipeline between Lake Rowlands and Carcoar Dam.

The purpose of the pipeline is to transfer excess water from Lake Rowlands and store in Carcoar Dam. This additional stored water would then increase CTW’s water security for town water supply, provide additional water for irrigators along the Belubula Valley and also improve regularity of flows which will assist with flood mitigation.

Importance of being Water Wise

Water is vital to sustaining life, which is why it is important to have an adequate and reliable water supply for all consumers to utilise and enjoy.

Lake Rowlands, Council's main water source is currently at 70% of capacity. Unfortunately the current long term weather forecast predicts no significant rain events in the Lake Rowlands catchment area for the next 3-4 months.

It is a timely reminder that with the continuation of ongoing drought conditions, and the oncoming summer peak demand, that all CTW consumers are aware of conserving and using water wisely.

Council reminds all CTW's consumers of its demand management policy, which is currently set at Level 1 Water Restrictions. Level 1 restrictions prohibits the use of sprinklers and fixed hoses across the entire CTW supply network between 9am and 6pm daily.

Level 2 Water Restrictions based on an “odds and evens” system will be introduced if the level of Lake Rowlands falls to 60% and Level 3 Water Restrictions will apply at 50% of capacity.

Council would like to thank its consumers for their understanding of the importance of using water wisely during this challenging upcoming peak summer demand period.

QUESTIONS

Questions may be put to councillors and council employees in accordance with clause 25 of the Council’s Code of Meeting Practice, as follows:-

“(1) A councillor:
(a) may, through the chairperson, put a question to another councillor, and
(b) may, through the chairperson and the General Manager, put a question to a council employee.
(2) However, a councillor or council employee to whom a question is put is entitled to be given reasonable notice of the question and, in particular, sufficient notice to enable reference to be made to other persons or to documents.
(3) The councillor must put every such question directly, succinctly, and without argument.
(4) The chairperson must not permit discussion on any reply or refusal to reply to a question put to a councillor or council employee under this clause. “

Questions should not be used to introduce business without notice. This is covered in Clause 17 of Council’s Code of Meeting Practice.

Questions on routine operational matters should be directed to the General Manager or the appropriate Director separately from and/or prior to the meeting.

CLOSED COUNCIL

THE LOCAL GOVERNMENT ACT

The authority for Council to close a meeting to the public is given under Section 10 of the Local Government Act, for which the following excerpts apply:

[s 10A] Which parts of a meeting can be closed to the public?

10A

10A (1) [Meetings may be closed] A council, or a committee of the council of which all the members are councillors, may close to the public so much of its meeting as comprises:

(a) the discussion of any matters listed in subclause (2), or
(b) the receipt or discussion of any of the information so listed.

10A (2) [Grounds for closure] The matters and information are the following:

(a) personnel matters concerning particular individuals (other than councillors),
(b) the personal hardship of any resident or ratepayer,
(c) information that would, if disclosed, confer a commercial advantage on a person with whom the council is conducting (or proposes to conduct) business,
(d) commercial information of a confidential nature that would, if disclosed:
   (i) prejudice the commercial position of the person who supplied it, or
   (ii) confer a commercial advantage on a competitor of the council, or
   (iii) reveal a trade secret,
(e) information that would, if disclosed, prejudice the maintenance of law,
(f) matters affecting the security of the council, councillors, council staff or council property,
(g) advice concerning litigation, or advice that would otherwise be privileged from production in legal proceedings on the ground of legal professional privilege
(h) information concerning the nature and location of a place or an item of Aboriginal significance on community land.

10A (3) [Closure of Resolution to close] A council, or a committee of the council of which all the members are councillors, may also close to the public so much of its meeting as comprises a motion to close another part of the meeting to the public.

10A (4) [Public’s right to make representations] A council, or a committee of a council may allow members of the public to make representations to or at a meeting, before and part of the meeting is closed to the public, as to whether that part of the meeting should be closed.

[s 10C] Notice of likelihood of closure not required in urgent cases

10C Part of a meeting of a council, or of a committee of the council of which all the members are councillors, may be closed to the public while the council or committee considers a matter that has not been identified in the agenda for the meeting as a matter that is likely to be considered when the meeting is closed, but only if:

(a) it becomes apparent during the discussion of a particular matter that the matter is a matter referred to in section 10A(2), and
(b) the council or committee, after considering any representations made under section 10A(4), resolves that further discussion of the matter:
   (i) should not be deferred (because of the urgency of the matter), and
   (ii) should take place in a part of the meeting that is closed to the public.

[s 10D] Grounds for closing part of meeting to be specified

10D (1) [Record of grounds for closure] The grounds on which part of a meeting is closed must be stated in the decision to close that part of the meeting and must be recorded in the minutes of the meeting.

10D (2) [Details to be specified] The grounds must specify the following:

(a) the relevant provision of section 10A(2),
(b) the matter that is to be discussed during the closed part of the meeting,
(c) the reasons why the part of the meeting is being closed, including (if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret) an explanation of the way in which the discussion of the matter in an open meeting would be, on balance, contrary to the public interest.
RECOMMENDATION: That Council form a Closed Council to consider the items listed below.

AND THAT the Press and the public be excluded from the Meeting of the Closed Council because of the confidential nature of the business to be transacted, as stated below:

Note: A Council, or a committee of a Council, may allow members of the public to make representation to or at a meeting, before any part of the meeting is closed to the public, as to whether that part of the meeting should be closed.

RESOLVED: Cr Diprose and Cr Bembrick that Council form a Closed Council to consider the items listed below, AND THAT the Press and the public be excluded from the Meeting of the Closed Council because of the confidential nature of the business to be transacted.

The Director Corporate Services returned to the room at this point 10:04am.
Crs Bembrick and Diprose returned to the room at this point 10:05am.
RESOLVED: Cr Diprose and Cr Bembrick that Item 12 of the Director Corporate Services’ Report be here considered.

AUDITORS PRESENTATION:

At this point Cr Liebich welcomed Mrs Katy Henry from Intentus Chartered Accountants Pty Ltd who delivered a presentation in regards to the 2017/2018 Financial Statements.

Cr Liebich on behalf of Council thanked Katy for her comprehensive presentation and also thanked the staff for their efforts in completing the 2017/2018 Annual Financial Statements.

The Director Corporate Services also thanked Katy for the audit and her presentation of the 2017/2018 Annual Financial Statements.

The 2017/2018 Financial Statements have been completed and audited with the reports sent to the Division of Local Government. A copy of the audit report has been forwarded separately for Councillors information with a copy of the Annual Statements being tabled at the meeting.

Section 418 of the Local Government Act (1993) requires that as soon as practical after Council receives a copy of the audit report it must fix a date for the meeting at which it proposes to present its audited financial reports together with the audit report to the public. Furthermore, Council must give notice of the date fixed. The Financial Statements have been advertised in the Grenfell Record with the date of the presentation to the public being 15 November 2018.

Councils auditors have been invited to attend the meeting to deliver a presentation in regard to the financial reports and answer any queries Councillors may have.

**RECOMMENDATION:** that Council formally adopt the Auditors Report and present the 2017/2018 Financial Statements to the public.

RESOLVED: Cr Diprose and Cr Bembrick that Council formally adopt the Auditors Report and present the 2017/2018 Financial Statements to the public.

LACHLAN GIBSON  
DIRECTOR CORPORATE SERVICES

RESOLVED: Cr Brown and Cr Best that except where otherwise dealt with the Director Corporate Services’ report be adopted.

**CLOSURE:** There being no further business the meeting closed at 10:39am.

Taken as read and confirmed as a true record this day 20 December 2018.
