* Please be advised that all unsealed roads within the Weddin Shire Council area are closed to vehicles **over three (3) tonne** until **5:00pm Tuesday 10 January 2023**, when the situation will be reviewed. School buses, Emergency Services and Council road repair plant are exempt, subject to normal risk assessment by individual operators. Concessions are granted for residents along the above roads and upon request for urgent transport activity on routes considered suitable to carry the proposed loading. Please contact Council's Engineering Department for further information. Local traffic under three (3) tonne are requested to carry out their own risk assessment prior to travel and extreme caution should be taken at all times when travelling on any open roads within the Shire.

Please avoid walking or driving through flood water. Floodwater can be very deep, rise quickly and move fast and the road may have suffered extensive damage hidden beneath the surface.

Updates on these roads will be provided on Council's website or face book page as information becomes available.

Council regrets any inconvenience caused by the decision but the preservation of our road asset and safety of our travellers is of prime concern.

For roads that adjoin Weddin Local Government area please refer to the relevant surrounding Council website or for up to date information please check **Live Traffic NSW** on <https://www.livetraffic.com>
