GENERAL MANAGER'S REPORT FOR ANNUAL ELECTIONS OF MAYOR, DELEGATES AND COMMITTEES

The Mayor & Councillors
Weddin Shire Council
GRENFELL NSW 2810

Dear Councillors

1. Order of Business

In accordance with the Local Government Act, the election by Councillors of the Mayor (and Deputy Mayor) is to be held during the month of September. Appointments of delegates and committee members are also usually made at this time.

In accordance with Council's Code of Meeting Practice, the elections are the first item of business.

For Information

Noted

2. General

Information to assist Councillors is as follows:-

- the former Mayor retains his role until a successor is elected, and he may preside at the meeting until this time;
- it is suggested that the first item of business after determining the method of voting, be the election of the Mayor;
- the Mayoral Allowance has been fixed at \$20,280 pa (Councillor \$9,290 pa) for 2009/2010.
- the General Manager is the Returning Officer (as nominated in the Act).
- a nomination is to be made in writing by two or more Councillors (one of whom may be the nominee): suitable forms have been forwarded with the Business Paper;
- the nominee must indicate his consent to the nomination in writing;
- nominations should be handed to the Returning Officer before the meeting commences;

- where only one Councillor is nominated, the Councillor is elected;
- where there is more than one candidate the election is to proceed by ballot;
- the Council must resolve that the election proceed by either preferential ballot, ordinary ballot or open voting;
- the election procedure for the Deputy Mayor is the same as for the Mayor.

RECOMMENDATION: that the elections for Mayor and Deputy Mayor be determined by ordinary ballot as usual and other elections by open voting.

108 RESOLVED: Clr Hinde and Clr Lobb that the elections for Mayor and Deputy Mayor be determined by ordinary ballot as usual and other elections by open voting.

The current Mayor Clr Simpson vacated the chair for the elections with the General Manager then acting as the Returning Officer.

3. Election of Mayor:

The written nominations are dealt with as above.

As there was only one nomination for the position of Mayor, that being Clr Simpson, the General Manager then declared **Clr Simpson** duly elected as Mayor unopposed.

Mayor Clr Simpson here resumed the chair and thanked Council for their vote of confidence and advised that he looked forward to working with Council for the next twelve months.

4. Election of Deputy Mayor:

The written nominations are dealt with as above.

There were two nominations for the position of Deputy Mayor being Clr N Hughes and Clr Atchison.

An election was held by ordinary ballot. The General Manager then declared **Clr N Hughes** duly elected as Deputy Mayor.

Clr N Hughes thanked Council for their support and also advised that he was looking forward to working with Council for the next twelve months.

5. Election of Delegates:

Under the Local Government Act Council may only delegate to the General Manager. Where a staff member* is to be selected as a delegate, the appointment should be for the “General Manager or delegate(s)”.

I have given recommendations on the presumption that most delegates will be similar, however some recommendations for changes have been made.

(a) **Central Tablelands County Council (Central Tablelands Water):**

Delegates: Clrs McClelland, Hinde

Comment: meets bi-monthly in Blayney, Cabonne and Weddin Shires by rotation. The delegates are appointed until the next local government election and receive an additional allowance of \$7,750 pa.

SUMMARY OF CORRESPONDENCE TO BE PRESENTED TO THE ORDINARY MEETING OF THE WEDDIN SHIRE COUNCIL HELD, 17 SEPTEMBER 2009.

CORRESPONDENCE

1. NSW Government Industry and Investment, G2.3: Advising the State Government has allocated \$8,555,000 to assist councils and public authorities implement weed management plans and to fulfil the requirements of the Noxious Weeds Act 1993.

The Minister approved a grant for \$20,000 for Weddin Shire Council.

Please indicate your acceptance of this offer by signing the attached Contract.

RECOMMENDATION: that the actions of the General Manager in accepting the grant be endorsed.

142 **RESOLVED:** Clr N Hughes and Clr Hinde that the actions of the General Manager in accepting the grant be endorsed.

2. Life Education NSW, C1.7.4: Regarding assistance that Life Education NSW requires from Weddin Shire Council to move our Mobile Learning Centre from St Joseph's PS to Koorawatha PS on Wednesday 19 August.

Currently our volunteer driver within the Weddin Shire is unable to assist.

If Weddin Shire Council would like to assist Life Education with moving the Mobile Learning Centre in 2010 to schools within their LGA we would appreciate your assistance.

Note: the transfer on 19 August was carried out

RECOMMENDATION: that:-

- i) the action be confirmed, and
- ii) assistance in 2010 (and beyond) be considered.

143 **RESOLVED:** Clr N Hughes and Clr Lobb that:-

- i) the action be confirmed, and
- ii) assistance in 2010 (and beyond) be supported.

3. Grenfell Country Club Ltd, C1.2.2: Concerning the Council plan to replace the play equipment in Taylor Park. The Board of the Grenfell Country Club would greatly appreciate it if you would consider donating this equipment to our Club.

RECOMMENDATION: that the surplus equipment be donated to the Grenfell Country Club as requested, with the advice that it does not meet current standards for playground equipment.

144 **RESOLVED:** Clr Atchison and Clr Hinde that the surplus equipment be donated to the Grenfell Country Club as requested, with the advice that it does not meet current standards for playground equipment.

4. The Grenfell Jockey Club, C1.2.3: Advising the sixth running of the Henry Lawson “Loaded Dog” Handicap is set down for Saturday 26 September.

Council has assisted for the past few years by provision of litter-bins and sponsorship towards an actual race.

Would Council continue this or similar assistance for 2009.

Note: 2008 sponsorship was \$200.

RECOMMENDATION: that Council offer the usual assistance with the provision of bins and consider the request for sponsorship.

145 **RESOLVED:** Clr Halls and Clr Niven that Council offer the usual assistance with the provision of bins and donate \$200 towards a race.

5. Grenfell Gunyah Craft Shop, C1.1.3: Writing to ask if you would consider giving us a rebate because we are a charitable organisation, with only a small income.

RECOMMENDATION: that a 25% rates donation be made as per Council’s policy.

146 **RESOLVED:** Clr N Hughes and Clr Niven that a 25% rates donation be made as per Council’s policy.

6. Country Women’s Association, C1.1.3: Asking whether Council would be kind enough to consider a donation towards the cost of our rates.

Our rooms are used by several community organisations, generally at no cost to their members.

We have appreciated your donation in the past and look forward to any assistance you are able to give.

Note: 2008 donation was 25%

RECOMMENDATION: that a 25% donation be approved in accordance with Council’s policy.

147 **RESOLVED:** Clr Hinde and Clr McClelland that a 25% donation be approved in accordance with Council’s policy.

7. Pinnacle Guinea Pig Race Club, C1.3.22: Advising it has recently been invited to the Geelong Cup in Victoria to run a guineapig racing demonstration.

At the August meeting of the PGPRC a resolution was made to ask Council for financial assistance to help transport guineapigs, race track and two handlers to Geelong and to assist with accommodation for the animal handlers.

Copy forwarded to Councillors

RECOMMENDATION:

For Council's Consideration

Clr Simpson previously submitted a written declaration of interest and left the room.

Clr N Hughes took the chair.

THE GENERAL MANAGER'S ORDINARY REPORT

10 September 2009

The Mayor and Councillors
Weddin Shire Council
GRENFELL NSW 2810

Dear Councillors

I wish to report as follows: -

1. Rail Branch Line Study, T3.5.8

Previous reports refer.

The consortium of rail consultants engaged by the Councils of Blayney, Cowra, Harden, Weddin and Young Shires, visited the area in early September for a first-hand track inspection and discussions with possible rail users.

The Mayor and General Manager together with the Mayors of Blayney and Cowra Shires, met with three consultants, Max Michell from Sydney, and Frank Lander and Geoff Smith from Adelaide, at an informal function where both parties were able to exchange important information and discuss the preliminary findings.

Following their visit the consultants have reported that the track is generally in good condition, with the main question marks being over a small number of timber bridges and the Carcoar tunnel. Discussions with a number of potential rail users were held and at this early stage the consultants are hopeful that a good case can be mounted to utilise the full length of the line, between Blayney and Demondrille, which will open up access to Port Kembla and possibly even the Port of Melbourne, for businesses in the Central West.

With the need to yet meet with interested businesses including GrainCorp, and rail authorities such as Rail Infrastructure Corporation, Australian Rail and Track Corporation and the Rail Regulator, the consultants expect to have their report completed by late October.

2. CENTROC Meeting, C27.3

The Mayor and General Manager attended the quarterly CENTROC meeting at Millthorpe on 27 August 2009.

The main matters of note were as follows:-

- an address by the Department of Planning's Western Director, Lois Gray, on the new LEPs, training for JRPP members, the pending "Centres" policy, the "Gateway" process and minimum lot sizes,

THE GENERAL MANAGER'S ORDINARY REPORT

- an address by the General Manager of Wellington Shire on the Weight of Loads Group which has lost two members. The Group is currently negotiating with the RTA for assistance,
- an unscheduled address by the newly appointed chair of the Central West Regional Development Australia, Sandy Morrison, on the new organisation and its membership,
- discussion on an announcement by Roads Minister Daley to investigate a bypass around Mt Victoria and a corridor for the long-term route over the Blue Mountains,
- support for the Inland Rail Route to relieve the Newell Highway, and inclusion of the Blayney - Demondrille rail line as a local transport priority,
- limited support for a "Shave Off" to raise funds for Cancer CareWest,
- adoption of the MoU and funding agreement with Filmcentral NSW,

The next meeting will be held at Boorowa on 26 November 2009.

For Information

Noted

3. CENTROC Health Workforce Meeting, H1.7.12

The Mayor and General Manager attended the Health Workforce meeting which followed the CENTROC Board meeting at Millthorpe on 27 August 2009.

Matters considered included:-

- an update on the Advocacy Business Plan and strategy,
- an update on the situation with Enrolled Nurses,
- ongoing limited support for a "Shave Off" to raise funds for Cancer CareWest,
- support for the regional helicopter service out of Orange,
- a community health mentoring meeting to be held at Young in November,
- a decision to revert to quarterly meetings, to follow the Board meetings.

4. Options for Medical Centre, H1.1.7

Council resolved last meeting to investigate the suitability of the Masonic Lodge as a possible Medical Centre. A floor plan and site plan are being prepared and approximate estimates of cost will be prepared in due course.

Preliminary enquiries have been made regarding a viability study and this matter is being followed up in conjunction with the design.

A site inspection for Councillors has been arranged for 4.00 pm on Thursday 17 September 2009, immediately preceding the meeting. All Councillors are invited to attend this inspection.

For Information

Clr Atchison previously submitted a written declaration of interest and left the room.

Noted

Clr Atchison returned to the room.

5. Sale of Industrial Land – General, P2.5.4

At its August 2008 meeting Council adopted a recommendation from Manex that the General Manager report to Council regarding restrictions on future sales of industrial land. The intention of the resolution is to ensure that the incentives offered by Council benefit the ultimate developer of the land, and not someone who may speculate on the re-sale of the property.

From discussions with Council's solicitor, it is not possible legally to penalise a buyer who does not develop a block. The preferable arrangement seems to be to have a sale price at market price, and to offer a discount provided the property is developed within the agreed, period say five years.

Council's current sale price is \$8.80/m² (\$6.75/m² if not sewerable), whereas recent private sales have taken place at \$20/m² and \$30/m². Clearly Council's price offers a considerable incentive to a genuine developer, although this price will need to be increased to include internal roadworks and services as described in a report following.

RECOMMENDATION:

Subject to legal advice, it is recommended that:-

- i) future sale prices for land in the Industrial Estate be based on the market price,
- ii) discounts be offered provided the property is developed in an agreed manner within five years,
- iii) the effect of the discounts be to reduce the net price of the land to the price as stipulated in Council's annual Management Plan,
- iv) payment arrangements be initially calculated on the net price, as follows:-
 - 20% deposit
 - 16% at end of years 1 to 4, balance at end of year 5.
- v) Council hold a mortgage over the property until fully paid.

MOTION: Clr Lobb and Clr Halls that:-

- i) future sale prices for land in the Industrial Estate be based on the market price,
- ii) discounts be offered provided the property is developed in an agreed manner within five years,
- iii) the effect of the discounts be to reduce the net price of the land to the price as stipulated in Council's annual Management Plan,
- iv) payment arrangements be initially calculated on the net price, as follows:-
 - 20% deposit
 - 16% at end of years 1 to 4, balance at end of year 5.
- v) Council hold a mortgage over the property until fully paid.
- vi) that the contract include an option to resell to Council less expenses incurred.

AMENDMENT: Clr McClelland and Clr Hinde that the existing policy remain as it currently is.

THE GENERAL MANAGER'S ORDINARY REPORT

Upon being put to the meeting the amendment was **LOST**.

152 The original motion was then put to the meeting and was **CARRIED**.

6. Sale of Industrial Land – McCann, P2.5.4

Matthew McCann has tentatively agreed to purchase a 4,500 square metre block on South Street beside the former Pig Producers shed, at a price of \$40,000 including GST.

On the basis of the previous report, the sale price of the block would be \$80,000. It is therefore proposed that the contract sale price be \$80,000, but that a discount of \$40,000 apply if the property is developed within five years.

Conditions of the sale would be:-

1. formal agreement by Council,
2. the block is offered unserviced,
3. effluent disposal to be by approved septic tank unless connected to the sewerage system,
4. Council to have no responsibility for boundary fencing,
5. developments to comply with Council's "Policy for Grenfell and Environs" unless otherwise approved,
6. contract sale price of \$80,000 with a \$40,000 discount if developed within five years,
7. deposit of \$8,000 with four annual payments of \$6,400 with the balance payable after five years ,
8. Council to hold a mortgage over the block.

RECOMMENDATION:

It is recommended that the offer as described above be confirmed with Mr McCann, and that the contract, mortgage documents and subdivision plan be prepared and executed under seal of Council.

153 **RESOLVED:** Clr Atchison and Clr Halls that the offer as described above be confirmed with Mr McCann, and that the contract, mortgage documents and subdivision plan be prepared and executed under seal of Council.

7. Development of Industrial Estate, P2.5.3

All the serviced land at Davies Place has been sold and any new blocks will need to have access to the existing street network. The section of Memory Street along the western boundary is very narrow, well timbered and carries the sewer main not very far below ground level. It is considered unsuitable for upgrading to a standard which could support B-doubles.

A preliminary plan has been prepared showing an internal road replacing all access to Mary Gilmore Way and Memory Street and will be displayed at the meeting. Whilst the end intersections and cul-de-sacs are indicative only at this point, the plan shows how the estate could be progressively developed. As well as roadworks, the design will eventually allow for stormwater drainage, utility services and future sewer lines. The cost of all works will need to be estimated and included within a new sale price for the blocks.

THE GENERAL MANAGER'S ORDINARY REPORT

It is important that the internal layout be determined now so that it is not restricted by future block sales.

RECOMMENDATION:

It is recommended that:-

- i) the preliminary layout plan be adopted in principle, subject to alterations of intersections and cul-de-sacs,
- ii) the land price be recalculated to include the cost of development and further reported to Council,
- iii) any negotiated prices in the interim include an allowance for the development costs.

154 **RESOLVED:** Clr McClelland and Clr Atchison that:-

- i) the preliminary layout plan be adopted in principle, subject to alterations of intersections and cul-de-sacs,
- ii) the land price be recalculated to include the cost of development and further reported to Council,
- iii) any negotiated prices in the interim include an allowance for the development costs.

8. Annual Return of Disclosure of Interest, C2.2.2

Earlier reports refer.

Further completed returns for 2008/2009 have been received from:

Clrs McClelland, Halls, D Hughes, Niven and Hinde.

All returns are due by 30 September 2009, following which they are available for inspection by the public.

THE GENERAL MANAGER'S LATE REPORT

RECOMMENDATION:

It is recommended that the following reports be received and dealt with because of the urgency of the matters therein.

155 **RESOLVED:** Clr Atchison and Clr N Hughes that the following reports be received and dealt with because of the urgency of the matters therein.

9. IPART Workshop on Rate Reform, R1.1

The Workshop at Dubbo on 11 September 2009 was attended by Clrs Simpson, N Hughes and W Atchison, as well as the General Manager and Director Corporate Services.

IPART has prepared a Review of the Revenue Framework for Local Government and has included two options for rate increases in its draft report.

THE GENERAL MANAGER'S LATE REPORT

Option A - a modified form of the present system, but utilising a Local Government Cost Index to reflect industry increases. This will also contain a productivity element. Councils could apply to the Minister for increased rates over four years.

Option B - would operate alongside Option A and would involve a "referendum" or a four year financial program in conjunction with the local government elections. The chances of this option succeeding are considered low.

The CEO of IPART, Mr James Cox, stressed the need for community involvement in the process. He also stated that on their assessments, "most councils are financially sustainable". IPART has also adopted different standards for cost shifting and financial statements.

A number of comments were made from the floor including:-

- the questionable value of mandatory community surveys and the traditional low response rates,
- separate Cost Indexes for metropolitan and rural councils,
- the role of staff in preparing four year financial programmes for Option B,
- whether councillors would want to go to an election supporting a higher rates increase,
- why the option of abandoning rate pegging was not included,
- the difficulty for smaller councils in allocating the resources to prepare proper submissions.

As submissions close on 18 September a letter expressing the concerns of the representatives of this council has been forwarded.

RECOMMENDATION:

Confirm Action

156 **RESOLVED:** Clr Atchison and Clr McClelland that the action be confirmed.

10. Leave Application, P4.10041/P4.10015

Application is made for annual leave from 28 September to 2 October 2009.

RECOMMENDATION:

It is recommended that the application for leave be approved.

It is further recommended that Mr Glenn Carroll be appointed as the Acting General Manager with full delegations from Council.

Clr Lobb previously submitted a written declaration of interest and left the room.

157 **RESOLVED:** Clr Hinde and Clr N Hughes that:-

- i) the application for leave be approved.
- ii) Mr Glenn Carroll be appointed as the Acting General Manager with full delegations from Council.

Clr Lobb returned to the room.

THE GENERAL MANAGER'S LATE REPORT

11. Grenfell MPS, H1.7.1

As Councillors are aware there has been no doctor visiting the MPS during the last week or so.

I have prepared a report for closed council because of the personal nature of some of the information.

RECOMMENDATION:

It is recommended that the General Manager's late report be received and dealt with in closed council because of the confidential nature of the business to be transacted.

- 158** **RESOLVED:** Clr N Hughes and Clr Halls that the General Manager's late report be received and dealt with in closed council because of the confidential nature of the business to be transacted.

T V LOBB

GENERAL MANAGER

- 159** **RESOLVED:** Clr Atchison and Clr Niven that except where otherwise dealt with the General Manager's Report be adopted.

THE DIRECTOR CORPORATE SERVICES' ORDINARY REPORT

5. Budget Review - 30 June 2009, A1.6

The budget review for the period ended 30 June 2009 is now presented for Council adoption.

The final result for the year showed a surplus of \$11,965 which when compared to the original balanced budget is a reasonable result. The result is quite good considering we incurred additional expenditures in areas such as workers compensation insurance and public conveniences while Interest on Investments revenue was well down.

While we are endeavouring to monitor our roads expenditure very closely further emphasis on income maximisation and expenditure control will ensure that budgets are obtained for income and adhered to for expenditure which will further strengthen our financial position.

It may be again prudent to transfer a portion Council's unrestricted cash reserves (spare cash) to reserves to assist in funding future capital works. As Councillors are aware a Future Capital Projects account has been set up in Council's internal reserves. There was a balance of \$196,452 in this reserve at the beginning of the financial year. These monies together with the monies for the sale of Dagmar Street residence were reallocated to the New Depot, Community Hub and Grenfell Tip improvements to assist in funding these projects. A further \$195,078 has been transferred to this reserve leaving a balance of \$200,000 as at the 30 June 2009. As in past years a report on Council's internal reserves position will be submitted to the November 2009 Council meeting for Councillors information.

It is imperative that Council continue to adopt a strategic planned approach to our future capital projects which will ensure the projects are able to be funded from a specific source. This will alleviate the need for Council to borrow externally which will benefit Council financially in the long term. This was demonstrated with the New Depot, Community Hub and New Residence funding sourced from the Future Capital Projects account.

The Rural, Town Works and Village carry over amounts are presented as a separate attachment culminating in revised budgets for 2009/2010.

Listed below is an updated list of the miscellaneous "carry over" works detailing uncompleted works as at 30 June 2009. Funding will be sourced from reserves when works are completed in 2009/2010.

6. Debt Recovery – Rates and Debtors, A1.7

Reference is made to the report to the August 2009 Council meeting advising of the status of debt recovery in regard to rates and debtors.

As reported to the August meeting the debt recovery process is on going and a new round of debt recovery for both debtors and rates has commenced which is following the same debt recovery process as has previously occurred.

The outstanding rates percentage as at 30th June 2009 should be known by the October 2009 Council meeting.

The sale of land for overdue rates will be conducted in 2010.

7. Preparation of Financial Reports, A1.6

In preparing the 2008/2009 Financial Reports Section 413(2)(c) of the Local Government Act 1993 requires Council to prepare a statement in the approved form as to its opinion on the general purpose financial reports.

The Statement basically states that the accounts have been prepared in accordance with the Australia Accounting Standards and present fairly Council's financial position and operating result for the year.

RECOMMENDATION: that Council endorse the Mayor, Deputy Mayor, General Manager and Director of Corporate Services to sign the statement on Council's behalf.

161 **RESOLVED:** Clr McClelland and Clr Lobb that Council endorse the Mayor, Deputy Mayor, General Manager and Director of Corporate Services to sign the statement on Council's behalf.

8. Open Day/Market Day - Terms and Conditions, T4.3.7

The Weddin Shire Open Day/Market Day has been scheduled for Saturday 24 October 2009. Listed below are the plans already in place together with information regarding the day and the proposed alterations which will assist in revitalising the day:-

Open Day

- in regard to publicity endeavour to ensure interviews are held with high profile people such as Alan Jones, Steve Price or Ray Hadley and our TV coverage to again include A Current Affair if possible.
- encourage further use of the on-line computer facilities for registrations.
- need to encourage people that register to actually attend.
- ensure the town and other facilities are clean and of an acceptable standard.
- have less emphasis on attracting tradespeople and more emphasis on attracting a new business that may be associated with agriculture or mining.
- continue to encourage retirees and families with children to relocate to the Weddin Shire.
- arranging a meeting place in the Community Hub where visitors can meet and obtain information.
- arrange the showing of films in the cinema depicting local heritage and tourism attractions and events.
- The action plan and itinerary for the day is currently being prepared and the promotional campaign is about to begin.
- The budget for the Open Day/Market Day is \$20,000 with \$5,000 to be funded from internal reserves.
- The website has been updated allowing people to download registration forms for submission on-line. Registered participants will be eligible to obtain various benefits during the Open Day and the terms and conditions have been forwarded separately, which will require endorsement from Council.

Market Day

- The Market Day is a relatively new innovation and is designed to afford local businesses the opportunity to showcase the goods and services they have on offer. The Market Day will be held in conjunction with the Open Day and assist in ensuring the Open Day event is able to continue to maintain its relevance by helping to promote Grenfell and the Weddin Shire as a vibrant and progressive area which will encourage people and businesses to relocate.
- A public meeting is scheduled for Thursday, 24 September 2009 to advise business people of the arrangements, encourage participation and answer any questions that they may have.
- A letter will be also written to all business people explaining the Market Day concept and inviting them to participate ie sales discounts, displays, joint advertising program.
- encouraging greater business participation particularly in the Market Day by creating a competition amongst business people which was launched on Wednesday 9 September 2009. The competition will entail shop presentation, quality of products and customer service. The competition will be judged by people shopping in the local shops with three separate cash prizes totalling \$1,000 on offer.

THE DIRECTOR CORPORATE SERVICES' ORDINARY REPORT

- changed the \$1,000 “Back to Grenfell” Cash Draw to a draw for everybody to enter that is in attendance on the day and registered to go in the draw. The prizes total \$1,000 worth of vouchers to be spent in local stores.
- closing the Main Street off between the Forbes Street Roundabout and Teston Street to have bands, jumping castles etc to make it more of a family friendly event.
- cancelled the Jazz band from Wagga and inviting the local town band, local performers and schools to provide the entertainment.
- endeavouring to arrange a live broadcast from the Main Street.

The Open Day event has in the past been an outstanding success and it is important to realise that we need to keep changing or fine tuning the event and incentives to ensure the Open Day/Market Day concepts remain effective and we continue to achieve our goals. While the focus will still be on increasing our population (which will assist in maintaining our services) and attracting new business (which will create employment) we will need to maintain our strategy of targeting the type of people and businesses we are endeavouring to attract.

In the past few years additional incentives for tradespeople have been developed which is working very well. In February 2006 Council offered a \$1,000 cash incentive to any registered participant of the Open Day who buys a block of land and builds a new dwelling which they reside in when it is completed. Although this offer has not yet been taken up it is certainly worthwhile persevering with.

It is critical that we continue to be positive, proactive, innovative and prepared to continually change to realise the key objectives of the campaign.

RECOMMENDATION:

- i) that Council endorse the draft terms and conditions for the 2009 Weddin Shire Open Day/Market Day.
- ii) that Council endorse the draft additional incentives for Tradespeople and the construction of new residences for the 2009 Weddin Shire Open Day/Market Day.

Clr McClelland declared a pecuniary interest as a Real Estate Agent and left the room.

162 RESOLVED: Clr Hinde and Clr Niven that:-

- i) Council endorse the draft terms and conditions for the 2009 Weddin Shire Open Day/Market Day.
- ii) Council endorse the draft additional incentives for Tradespeople and the construction of new residences for the 2009 Weddin Shire Open Day/Market Day.

Clr McClelland returned to the room.

9. Local Business Promotion, T4.1.11

The Orange Business Enterprise Centre (BEC) in conjunction with the Grenfell Business Development Committee (GBDC) held a Local Business Promotion Breakfast meeting on 9 September 2009 at the Grenfell Bowling Club with approximately twenty (20) people attending.

The breakfast meeting was the second of a series of workshops for business people and Mr Peter Gordon from the BEC delivered an excellent presentation regarding “Business Growth and Marketing” which ensured the session was an outstanding success.

THE DIRECTOR CORPORATE SERVICES' ORDINARY REPORT

It is planned to continue to hold these sessions on a regular basis which will certainly benefit our local business people.

12. Tourism/Promotions, C2.6.2

Council's Tourism Manager has been involved in the following activities:-

- It is planned to attend a small bird fair at Rankin Springs on 3 October and Leeton in mid November to further promote the Weddin Bird Trails. A bird group from the South Coast will be following the Weddin Bird Trails for three (3) days commencing 21 September 2009. All bird groups in Australia have been sent invitations and flyers to encourage them to visit the Weddin Shire.
- The Weddin Shire Tourism brochure is currently being distributed to local and surrounding Visitor Information Centres with excellent feedback received. Quotes currently being obtained for reprinting of the brochure.
- Attended the Gold Trail meeting in Boorowa on 20 August 2009. Audit of local attractions completed. Regional funding of \$500,000 being sourced of which 10% must come from the local region. Awaiting result of funding application. Next meeting to be held in Grenfell on 22 September at the Grenfell Museum.

13. Grenfell Internet Centre, C2.6.28

Council's Internet Centre Manager has been involved in the following activities:-

- Currently developing other income streams such as designing and printing funeral service booklets and various cards which are selling well. Grenfell themed calendars are being investigated.
- Tech Talk articles submitted in the Grenfell Record on a regular basis with an article on social networking sites to be published in the near future. They are being well received by the public.
- Window displays addressed and constantly changing.
- A flyer mail out to households promoting the services available will be conducted.
- Visiting local businesses to discuss services available at the Internet Centre.
- A Mental Health week grant has been secured to run email classes.
- Investigated cost and funding opportunities together with options to upgrade the equipment at the Grenfell Internet Centre. The options are detailed below:-

| | Purchase \$ | Lease \$ |
|---------------------------|------------------------|--|
| Computer Equipment | 25,014.89 | 8,362.98/yr Purchase after three years for 30% of cost |

THE DIRECTOR CORPORATE SERVICES' ORDINARY REPORT

From the table it can be seen that for up to three (3) years there is no real difference in costs and if the lease option was taken up the equipment could be purchased for 30% of the cost after three (3) years.

However, historically Weddin Shire has kept IT equipment for long periods of time with the current computers purchased approximately nine (9) years ago.

If this option was taken up funding could be sourced from Council's office equipment reserve and repaid over a five year period. As at the 30th June 2009 there was \$106,307.00 in the reserve with \$66,000 planned to be expended in 2009/2010.

RECOMMENDATION: that Council authorise the purchase of the IT equipment with the funding to be sourced from the office equipment reserve and repaid over a five year period.

The Director requested that the report be withdrawn for further investigation.

163 **RESOLVED:** Clr Hinde and Clr Atchison that the report be withdrawn and resubmitted to the next Council meeting.

14. Diesel and Alternative Fuel Grants Scheme, A3.20.3

As at 30 June 2009 \$13,551 was received in Diesel Fuel Rebate Grants. The scheme was introduced on 1 July 2000 as part of the Federal Government's Tax reform package and will certainly assist in reducing Council's fuel costs.

Council now claims the grant monies on an annual basis through our Business Activity Statement (BAS) in an attempt to gain efficiencies in the new taxation system.

15. 2008/2009 Financial Statements, A1.6

The 2008/2009 Financial Statements are currently in the process of being prepared and will be completed in due course.

As previously advised Council's auditors Alan Morse and Co have indicated that they will conduct the audit mid October 2009. Following receipt of the auditor's report a date has to be fixed for the presentation of the audited financial reports together with the auditor's report to the public.

Public notice of this date must be given and the date fixed for the meeting must be at least seven days after advertising but not more than five weeks after the auditors reports are forwarded to Council.

It is anticipated a formal presentation of the accounts will be made by Council's auditors at the November 2009 Council Meeting.

7. RTA RMCC Contract, R2.54.4

Routine maintenance works on SH6 and SH17 continue.

The resealing and heavy patching program on SH6 and SH17 is with the RTA for approval.

On 2 September 2009 the RTA conducted an audit on Council's Contract from October 2008 to present.

Council received one (1) Corrective Action Request (CAR) in relation to the RMCC Quality Plan. This is in contrast to the four CARs which it received at its last audit several years ago. Ten (10) Observations of Concern were also raised, which are currently being addressed.

THE DIRECTOR ENGINEERING'S ORDINARY REPORT

Council's OHS & R and financial systems complied with the audit requirements.

The one CAR is now being addressed.

- RTA is carrying out testing on Quad tri B-Double (30m), B-Triples and AB Triples,
- assessing bridges/culverts – no decision as yet on who pays for the structural assessment,
- Newell Highway improvements – 6 metres clear zone, selected junction enhancements, linemarking/median separation, speed limit to be reduced from 110 km/h to 100 km/h (with minister),
- Timber Bridge Program – 31 funded in western region (2009/10 is last year of current funding).

For Information

165 **RESOLVED:** Clr Atchison and Clr N Hughes that Council protest to the Minister for Roads and Transport in regard to the proposed Newell Highway speed limit reduction and the possible additional length of heavy vehicles being considered.

15. Proposed Extension of Garbage Scavenging Rights, E3.3.1

Director Engineering report to July Council Meeting refers.

The proposed extension of the garbage service in Grenfell was advertised for comment, closing on Wednesday 26 August 2009. No comments were received.

An investigation was carried out on the extension of the garbage service along SH6 (west) to the intersection of the crown road up to the radio tower and also to the eastern end of Melyra Street. No problems were encountered with the extra service pickups.

RECOMMENDATION: that the Council extend the garbage service along North Street to the end of the bitumen, Abbotts Lane and Holy Camp Road (between Mary Gilmore Way and Abbotts Lane), east of Lawson Drive (between Young Road and the railway line), SH6 (west) up to the intersection of the radio tower road and upper Melyra Street.

166 **RESOLVED:** Clr Atchison and Clr McClelland that the Council extend the garbage service along North Street to the end of the bitumen, Abbotts Lane and Holy Camp Road (between Mary Gilmore Way and Abbotts Lane), east of Lawson Drive (between Young Road and the railway line), SH6 (west) up to the intersection of the radio tower road and upper Melyra Street.

THE DIRECTOR ENGINEERING'S LATE REPORT

RECOMMENDATION:

It is recommended that the following reports be received and dealt with because of the urgency of the matters therein.

- 167** **RESOLVED:** McClelland and Clr Atchison that the following reports be received and dealt with because of the urgency of the matters therein.

16. RTA Heavy Vehicle Inspection Station, T3.6.1

June Council meeting refers.

An investigation has been carried out in to the requirements of construction of an RTA heavy vehicle authorised inspection station.

Discussions were held with the RTA Acting Manager of Vehicle Regulation has revealed that there is no one document that sets out the standard for the station. However, he did say that a pit was required.

He also stated that the RTA has moved towards reducing the number of heavy vehicle inspection stations and has selected various sites around NSW that will act as central inspection stations.

The RTA has no intention of carrying out inspection at sites other than those authorised stations. Cowra and Young have authorised inspection stations and council would be required to present its heavy vehicle s at these stations for inspection.

As this is RTA's new policy it is expected that negotiations with the Minister for Roads would need to be entered into for any policy changes to be made.

For Information

- 168** **RESOLVED:** Clr McClelland and Clr N Hughes that Council write to the Minister for Roads and Transport to ascertain the current requirements for conducting RTA inspections in Grenfell.

W TWOHILL

DIRECTOR ENGINEERING

- 169** **RESOLVED:** Clr Halls and Clr Atchison that except where otherwise dealt with the Director Engineering's Report be adopted.

- 170** **RESOLVED:** Clr N Hughes and Clr Halls that Council adjourn for supper.

Council adjourned for supper: 6.51 pm

Council resumed at: 7.16 pm

- 171** **RESOLVED:** Clr Atchison and Clr McClelland that Council resume.

THE DIRECTOR ENGINEERING'S LATE REPORT

At this point the Mayor advised that the General Manager on behalf of Council had forwarded letters of condolences to Mr Robert Wilson's family and Parkes Shire Council.

A minutes silence was then held in honour of the late Mr Robert Wilson who was a past Mayor and Councillor of Parkes Shire Council.

5. Local Community Infrastructure Program, G2.18.1

This report is to detail the status of the Local Community Infrastructure Program projects that I have managed:

- Vaughn Park - Shade Cover: Posts in ground with shade sail to be installed.
- Grenfell Swimming Pool – Pool blankets: Project complete.
- Blamey Park, Quandiella – Shade cover: Posts in ground with shade sail to be installed.
- Edward Square, Greenethorpe – BBQ & Shelter: Project completed.
- Sportsground, Caragabal – New Change Rooms: Building complete, water supply works to be completed.

All projects will be completed to budget and by the due date of 30 September 2009.

An official opening is required to be conducted as part of the funding arrangements, after speaking with the Department of Infrastructure, it may be possible to have one opening (at say Taylor Park) and acknowledge all of the projects. This would appear to be a preferable option, than one at each location.

I attended the meeting of the Mid Lachlan Alliance - Environment Professional Sub Committee (Forbes, Lachlan, Parkes & Weddin) was held in Parkes on 21 August. This was the first meeting of this group for over twelve months, which was due to staff movements at two of the councils.

Matters of importance discussed were:

- Accreditation of Council Building Surveyors,
- Food Regulation Partnership,
- Joint Regional Planning Panels,
- Skin Penetration Approvals and Training,
- NSW Housing Codes.

The next meeting is scheduled for 4 December 2009 at Forbes.

7. Local Government "Smoke-Free Outdoor Areas" Forum, H1.7.10/H1.7.13

I attended and gave a presentation at the Local Government "Smoke-Free Outdoor Areas" Forum held at Dubbo on the 4 September 2009. The forum organised by Greater Western Area Health Service and Cancer Council NSW, with twelve Councils from the Western Region represented with some 35 people in attendance.

The purpose of the forum was to:

- Educate on the importance of Smoke-Free Outdoor Areas & their impacts,
- Highlight the practical and financial support available to councils who implement smoke-free policy within their LGA,
- Increase the number of Councils in the region with Smoke-Free Outdoor Area policies,
- Create environments that improve health and wellbeing of our communities.

It is also notable that funding is currently available through GWAHS and Cancer Council NSW for Councils in our region to assist in the implementation of Smoke-Free Outdoor Area policies.

There is currently 58 Councils throughout the state that have some form of Smoke-Free policy and it is my belief that Weddin Shire should look very closely at the community, health and social benefits that Smoke-Free policy can provide the community.

Should you require any further information about the forum or Smoke-Free Outdoor Area policies, contact the Director Environmental Services.

For Council Information

172 **RESOLVED:** [Clr Lobb and Clr N Hughes that a report be prepared for Council on the banning of smoking in the parks of Grenfell.](#)

8. Berrys Road Dogs, A3.22.6

As resolved at the last Council meeting, Mr Marsh was advised of the decision to refuse the application to vary the Local Orders Policy "Keeping of Animals" and our legal Counsel was directed to continue the Class 4, Land & Environment Court action which is to be heard on 22 September 2009.

Once advised of the Councils previous decision Mr. Marsh's legal representation attempted to find an acceptable arrangement for both parties, this offer was detailed to Councillors for comment.

Further negotiation took place with the drafting of a mutually agreeable "consent order" being prepared, with a hope to have it formally agreed and therefore only requiring the Court to place the order are agreed. By having the Court giving the Order, will ensure the agreement has a legal weight that should assist with any future issues that may arise.

A further update may be given at the meeting, should the current situation change in any way.

10. Weddin Shire Council Approval and Orders Policies, C2.4.15

The Local Government Act 1993 (Section 165) requires any local approvals or orders type policy (other than a local policy adopted since the last general election) be automatically revoked at the expiration of 12 months after the declaration of the poll for that election, thus September 2009.

Therefore it is proposed that the following approvals/orders policies be adopted unchanged, except for the inclusion of policy numbers and minor formatting changes:

- Keeping of Animals
- Tree Preservation Policy
- Footpath Restaurants & Street Trading
- On-site Sewage Management Policy
- Building & Development Policy
- Notification of Development Policy
- General Fencing Policy
- Fencing – Heritage Conservation Area

RECOMMENDATION: that the following policies be adopted with minor formatting changes:

| | | | |
|-------|---------------------------------------|---------|--------------------------------------|
| 2.2.4 | Keeping of Animals | 10.1.10 | Building & Development Policy |
| 5.1.2 | Tree Preservation Policy | 10.2.2 | Notification of Development Policy |

| 7.4.2 | On-site Sewage Management Policy | 10.5.2 | Fencing – Heritage Conservation Area |

11. Constitution of the Quandialla Swimming Pool Committee, C1.3.30

The Department of Local Governments, Better Practice Review Report - recommendation 12, required that Council develop constitutions for all Section 355.

The only committee that has not yet been covered is the Quandialla Swimming Pool Committee.

Purpose of the constitution is to provide clear direction and parameters for the committee to operate in its operation role, that see them organise, promote, coordinate and conduct the operations of the Quandialla Swimming Pool.

The Committee is an operational committee of the Council and as such it reports to the General Manager or his delegate. Membership is open to councillors as private citizens.

RECOMMENDATION: that the draft Constitution of the Quandialla Swimming Pool Committee be adopted.

174 **RESOLVED:** Cllr Niven and Cllr Atchison that the draft Constitution of the Quandialla Swimming Pool Committee be adopted.

THE DIRECTOR ENVIRONMENTAL SERVICE'S LATE REPORT

RECOMMENDATION:

It is recommended that the following reports be received and dealt with because of the urgency of the matters therein.

175 **RESOLVED:** Cllr Atchison and Cllr Lobb that the following reports be received and dealt with because of the urgency of the matters therein.

12. Grenfell Waste Depot Contract/Operations,

Operations

It was decided that even though the facility was not able to be manned, that the advertised change to the operating hours should be implemented, so the revised hours changed on the 15th September 2009.

THE DIRECTOR ENVIRONMENTAL SERVICES' LATE REPORT

Current Contract

As Council has been previously advised the manning of the Grenfell Waste Depot was meant to have commenced on Tuesday 15th September 2009. The start of the manning has stalled due to the successful tenderer Mitton Bros having concerns about the insurance side of the contract, thus the contract has not been executed. As Councillors were previously advised Mitton Bros until Thursday 17 September 2009 in which to sign the contract.

Further correspondence was received from Mitton Bros on the 15th September advising that the insurance can now be obtained under a standard policy. However, they now wish to forward the contract documentation off to a Contract law professional and seek an extension of time to allow this to occur.

Having considered all the options, it was decided to allow an extension until 4:30 pm 28th September 2009 for the contract to be executed, otherwise Council will deem that Mitton Bros have withdrawn for the tender commitment. This period was chosen as it totalled 14 days from the first request to sign the contract, which is consistent with the conditions of tender provisions.

Should Mitton Bros not execute the contract prior to the date identified, arrangements will be made to commence the manning in the near future by either day labour or fresh tender.

RECOMMENDATION: that:-

1. the action be confirmed,
2. should Mitton Bros not execute the contract, that the General Manager be authorised to make appropriate arrangements for the manning of the Grenfell Waste Depot including fresh tenders as and when required.

176 **RESOLVED:** Cllr McClelland and Cllr Atchison that:-

1. the action be confirmed,
2. should Mitton Bros not execute the contract, that the General Manager be authorised to make appropriate arrangements for the manning of the Grenfell Waste Depot including fresh tenders as and when required.

3. DA 14/2008 – Shed in Weddin Street, T5.14.2008

Further to the last Council meeting at which I advised that Mrs Bradley's solicitor, had requested that discussions be opened in the view of finding an agreeable outcome to the current situation.

Subsequent to that meeting correspondence has been exchanged by both parties, with further negotiation required prior to having any suitable solution. Council has also been consulting its insurer in an attempted to ensure any agreement reached is appropriately considered.

A further update may be given at the meeting, should the current situation change in any way.

**4. Development Applications for the Consideration of Council, DA 32/2009
Proposed placement of removable buildings and erection of awning**

| | |
|------------------------------|--|
| Applicant: | Grenfell Mens Shed |
| Owner: | ARTC – leased to Council |
| Site: | Lot 1 Sec 34, DP 758473 West Street, Grenfell |
| Zone: | 2(t) - Township |
| Proposed Development: | Proposed Placement of removable buildings and erection of awning |

PRECIS

Council is in receipt of an application to place a number of structures on or around the Goods Shed at the Grenfell Railway Station site. All structures are considered to be removable and are designed to improve the amenity of the Grenfell Mens Shed users.

This is application was lodged on the 7th August 2009, with a previous report being submitted to Council in May 09, at which Council gave in principle support to the use of the sub-leased ARTC land as described in the Grenfell Men's Shed Short and Long Term Development Plan.

The application is referred for Council consideration, as it is works to be undertaken on Council leased land and is located in a heritage significant area.

Approval of the application is recommended, subject to appropriate conditions as detailed.

DESCRIPTION OF THE PROPOSAL

The placement/construction and operations of the following:

1. Placement of a removable 40ft (12m) steel shipping container on stands over the existing track, alongside the existing building, for the storage of materials.
2. Placement of a 20ft (6m) transportable office at the Southern end of the platform.
3. Erection of a shade structure near the existing sculpture, for a visitor's rest area.
4. The construction of a 6m x 8m roof structure on the southern end of the existing platform, to allow for undercover welding activities.

DESCRIPTION OF THE SITE

The subject site is located at the Grenfell Rail Yards and is immediately South of the Heritage Listed Railway Station building. The land is zoned 2(t) – Township. The locations of the proposed structures are predominately around the old Goods Shed that is situated south of the railway station building.

PLANNING ASSESSMENT

The proposal has been assessed in accordance with the matters for consideration under section 79C of the Environmental Planning and Assessment Act 1979. The assessment gave particular attention given to the Heritage significance of the local area.

WEDDIN LEP 2002

The proposed development is permissible under Weddin Local Environmental Plan 2002 subject to development consent from the Council. The establishment of such a development is considered to meet the objectives of the zone and is consistent with existing developments in the location, with due consideration required for the heritage significance of the railway precinct.

HERITAGE

This is the major area of consideration for this development, with a referral being given to Councils Heritage advisor for comment. The advisor was generally supportive of the proposal with some specific requirements being included in the condition; these included some of the following recommendations:

Container

1. The ramp access to the 'dinner car' to be redesigned to better echo a more normal distance coupling of railway wagons and achieve a better visual presentation
2. The distance between the dinner car and the container flat top tray to be more akin to expected coupling.
3. The container should be seen to be sitting on a longer flat tray wagon as would be expected in a goods train scenario.
4. The container flat top tray to have the same height above the rails as the dinner car
5. The container be painted the same colour as the dinner car and lines should be painted on the exposed side of the container which are a continuation of those above and below the dinner car windows, within the lines could be painted in capitals 'GRENFELL'

Awning structure on Goods Platform

The platform infill structure should:

1. Be completely detached from and not in contact with the Goods Shed or its skillion section, by at minimum of 1.5 metres
2. At a minimum, have the same side setbacks as the Goods Shed on both the Wool Bale Platform (east) and railway track (west)
3. Have a simple gable roof form that is parallel to the platform and the Goods Shed and have a ridge no higher than the top most skillion portion of the Goods Shed
4. Use traditional materials, roof cladding: corrugated galvanised steel roof, galvanised barge rolls, (used of second hand corrugated steel/iron is satisfactory)

Portable Office

Any new structures, whether portable, temporary or semi-permanent should be secondary to the primacy of the original railway structures and elements.

1. To be painted a different to, and darker colour than, the Goods Shed to distinguish it from original Railway elements, but using traditional colour scheme and one that would be expected on a railway yard.

Shade cloth

The proposed location of the shade cloth is unsuitable for the Railway Precinct. Such structures would change the industrial nature of a railway yard and block the visual inter-relationships between original yard elements.

1. Any BBQ, shade cloth, entertainment structure or the like or space to be well away from (10m) the linear progression of original railway elements and not obscure or block views and vistas along the linear nature of the railway yard from the station building through to the silos.

CONCLUSION

It is considered that the proposal meets the Weddin LEP 2002 requirements from both a prescriptive and objectives. Having due consideration for the heritage significances of the area and the 79(c) assessment requirements, it is believed that the proposed development is suitable for the proposed location.

RECOMMENDATION: that Development Application 32/2009 for the Proposed Placement of removable buildings and erection of awning of Lot 1 Sec 34, DP 758473 West Street, Grenfell, be APPROVED, subject to the draft Development Consent conditions presented to the 17 September 2009 Council meeting.

Division required Local Government and Planning Legislation Amendment (Political Donations) Act 2008.

1. BUILDING

- (1) The development shall be carried out in accordance with the plans as submitted with the Development Application and any supporting documentation, as stamped and approved by Council, except as otherwise provided by conditions of this consent.

Reason: to ensure the development is carried out in accordance with the submitted application as assessed by Council.

2. PRINCIPAL CERTIFYING AUTHORITY

- (1) Prior to commencement of work, the person having the benefit of the Development Consent and a Construction Certificate shall:
 - a) appoint a **Principal Certifying Authority** and notify Council of the appointment (if Council is not appointed), and
 - b) notify Council of their intention to commence the erection of the building (at least 2 days notice is required).

DIRECTOR ENVIRONMENTAL SERVICES' REPORT TO COUNCIL

The Principal Certifying Authority shall determine when **inspections and compliance certificates** are required.

Reason: to ensure compliance with the Environmental Planning and Assessment Act 1979

- (2) A **Construction Certificate** must be obtained from Council or an Accredited Certifier prior to work commencing. A construction certificate certifies that the provisions of Clauses 79A-79H of the Environmental Planning and Assessment Amendment Regulations, 1998 have been satisfied, including compliance with the Building Code of Australia and conditions of Development Consent.

Reason: to ensure compliance with the Environmental Planning and Assessment Act 1979

- (3) Details from a suitably qualified and insured Structural Engineer will be required prior to the issue of the **Construction Certificate** in regard to:-

- footings;
- reinforced concrete slabs;
- retaining walls;
- structural steelwork;
- wall bracing and tie-down requirements;
- the structural engineer, in producing a design is to complement the Geotechnical Engineer's Stability Report to make a clear statement that "any structure designed and erected in accordance with the plans and specifications will achieve the performance requirements described in Clause 1.3 of AS 2870-1996 and any other relevant codes and structures."

- (4) A final **Occupation Certificate** must be issued by the Principal Certifying Authority prior to occupation or use of the development. In issuing an occupation certificate, the Principle Certifying Authority must be satisfied that that the requirements of section 109H of the Environmental Planning and Assessment Act 1997 have been satisfied.

Reason: to ensure compliance with the Environmental Planning and Assessment Act 1979

- (5) The building works are to be inspected during construction by the Council or by an "Accredited Certifier" (as applicable) and documentary evidence of compliance with the relevant terms of the approval/standards of construction detailed in the Building Code of Australia and Council's established development standards (as listed under Advisory Conditions which form part of this consent), is to be obtained prior to proceeding to the subsequent stages of construction, encompassing not less than the following key stages:-

- (i) ***Footings and Concrete Slabs: When the footings have been excavated and all steel reinforcement has been placed in position.***
- (ii) ***Sub floor bearers and joists: Prior to the laying of the floor and when ant caps are in place.***
- (iii) ***Structural framework: When complete, all external walls and roof cladding must be in place prior to inspection. Internal plumbing should be in place and under pressure.***

- (iv) *Roof frame: Prior to the installation of the ceiling lining and eaves soffit lining.*
- (v) *Internal House Drainage: When all internal drainage work is installed and prior to concealment. Drainage should be under water test.*
- (vi) *External House Drainage: When all external drainage work is installed and prior to concealment.*
- (vii) *Wet area waterproofing: prior to lining or laying tiles.*
- (viii) *Stormwater Drainage: When the stormwater and roofwater drainage system has been completed.*
- (ix) *Completion: Upon compliance with all conditions of approval and prior to occupation.*

Note: 48 Hours notice is required prior for all inspections

Reason: To comply with the Environmental Planning & Assessment Amendment (Quality of Construction) Act 2003.

3. LIMITATIONS OF THE CONSENT

- (1) All building work must be carried out in accordance with the provisions of the Environmental Planning and Assessment Act 1979 and the Building Code of Australia.

Reason: to ensure compliance with the legislation and standards.

4. CONSTRUCTION

- (1) Before commencement of any work, a sign is required to be erected in a prominent, visible position:
 - stating that unauthorised entry to the work site is not permitted,
 - showing the name of the person in charge of the work site and a telephone number at which that person can be contacted outside working hours, and
 - the house and lot number of the property.

This sign must be removed when the building work has been completed.

Reason: to ensure compliance with the Environmental Planning and Assessment Act 1979.

Protection of Public Places

- (2) If the work involved in the erection or demolition of a building is likely to cause pedestrian or vehicular traffic in a public place to be obstructed or rendered inconvenient, or building involves the enclosure of a public place, a hoarding or fence must be erected between the work site and the public place.
- (3) If necessary, an awning is to be erected, sufficient to prevent any substance from, or in connection with, the work falling into the public place.
- (4) The work site must be kept lit between sunset and sunrise if it is likely to be hazardous to persons in the public place.

DIRECTOR ENVIRONMENTAL SERVICES' REPORT TO COUNCIL

- (5) Any such hoarding, fence or awning is to be removed when the work has been completed.

Reason: to ensure that public safety is maintained during the construction period.

5. HEALTH & SAFETY

- (1) Work shall be confined to normal working hours, namely 7.00 am to 5.00 pm Monday to Friday, and 7.00 am to 1.00 pm Saturdays. (No work is permitted on Sundays or public holidays).

Reason: to minimise nuisance to adjoining neighbours.

6. STORMWATER

- (1) The stormwater is to be discharged at a point not nearer than 3m to any structure.

Reason: to prevent damage to structures and to comply the requirements of the Building Code of Australia.

7. SPECIAL CONDITIONS - Heritage

- (1) The proposed development must comply with the heritage requirements as specified in the advice titled "Mens Shed attachments" pages 1-4, as approved and stamped to form part of the consent documentation.

Reason: to ensure that the heritage significance of the local area is appropriately maintained.

- 177** **RESOLVED:** Clr McClelland and Clr Atchison that Development Application 32/2009 for the Proposed Placement of removable buildings and erection of awning of Lot 1 Sec 34, DP 758473 West Street, Grenfell, be approved, subject to the above conditions.

BUSINESS:

(a) Suspension of Line

The decision to suspend the Cowra – Demondrille line as from 1 September was received with dismay, but there was general agreement to continue with the study.

(b) Visit by Consultants

The consultants have advised they will be visiting the area on 2 and 3 September to inspect the lines and have invited a representative of the councils to join them on the Thursday.

It was agreed that each Council would try to provide a representative for their length of line, and that Clr Simpson may be able to substitute if required.

It was also agreed that the group offer to meet with the consultants on the Wednesday evening, possibly including dinner.

(c) Lachlan Valley Railway (LVR)

Correspondence from LVR to RIC requesting further time to negotiate for the Cowra – Demondrille line was noted. The councils agreed to support LVR with their request.

NEXT MEETING: As advised.

CLOSURE: The meeting closed at 12.40 pm

180 RESOLVED: Clr N Hughes and Clr Niven that the Report on the Meeting of the Five Rail Group Councils be noted.

REPORT ON CENTROC HEALTH WORKFORCE MEETING HELD AT ORANGE CITY COUNCIL CHAMBERS 10 SEPTEMBER 2009

Representatives from G.W.A.H.S. spoke about changes & updates in mental health. These included:

- Upgrading & redevelopment of facilities at Bloomfield
- Improving the image of mental health
- The recruitment website is up & running
- An expo was held at Bondi to display the life style around Orange in an attempt to recruit staff from this area.
- More money is now being spent on alcohol problems

In a 'phone hook-up, the Rural Doctors' Network reported that they are continuing to recruit & train doctors for the rural areas. Their network covers 270 towns and has 250 vacancies for doctors at the present time. In an attempt to alleviate this shortage, they are working in conjunction with the Rural Health Service.

One focus area is to endeavour to get doctors from rural backgrounds to return to rural areas. They are finding that one of the main stumbling blocks is the partners. If there is no employment for them, then we do not get the doctor. Doctors looking to relocate to rural areas do not want to work or be on call 24/7, they are more interested in lifestyle. However, those willing to relocate have stated that they are willing to work for local health services as well as the town. The rural solo practice is becoming a thing of the past due to this form of practice not being viable and in some areas where there are sole practitioners, they are combining with practices in surrounding towns to enable the doctor to have quality time off with his/her family.

It is not mandatory for doctors to be VMOs at hospitals & it is not necessary for them to have this source of income for them to have a viable income. This has resulted in many doctors walking out of the hospital system. Their income sources come from three areas:

1. Medicare – Commonwealth Govt.
2. VMO at hospitals – State Govt.
3. private – patients private health funds

Many practices are striving to achieve or maintain their accreditation. This brings in Practice Incentive Payments. Two of the many criteria for this are;

- level of computerization in the practice
- level of immunization

The reason for practices trying to achieve accreditation is that this projects to patients that its standards of patient care are of the highest calibre.

In general discussion, we were informed that Michael Costa has stated that the Govt. will fund the website that is being set up to assist with the recruitment of health staff for our area. Before the site can be set up, Jenny Bennett and her team have a lot of marketing & market research to finalize. To assist with this marketing/research, the committee has applied for a grant.

Discussion was held regarding medical centres with the following points being made;

- medical centres have the possibility to increase income
- make sure that all stakeholders are involved
- make sure that a management system is in place
- make sure that recruitment is in the hands of one person only e.g. G.Ps already in the practice or the area health team
- Doctors are moving away from the time aged practice of having to buy into a practice. They are now looking for a walk in/walk out practice.

QUESTIONS

Questions may be put to councillors and council employees in accordance with clause 25 of the Council's **Code of Meeting Practice**, as follows:-

- “(1) A councillor:*
(a) may, through the chairperson, put a question to another councillor, and
(b) may, through the chairperson and the General Manager, put a question to a council employee.
- (2) However, a councillor or council employee to whom a question is put is entitled to be given reasonable notice of the question and, in particular, sufficient notice to enable reference to be made to other persons or to documents.*
- (3) The councillor must put every such question directly, succinctly, and without argument.*
- (4) The chairperson must not permit discussion on any reply or refusal to reply to a question put to a councillor or council employee under this clause. “*

Questions should not be used to introduce **business without notice**. This is covered in Clause 17 of Council's **Code of Meeting Practice**, as follows:-

- “(3), business may be transacted at a meeting of a Council even though due notice of the business has not been given to the councillors. However, this can happen only if:*
(a) a motion is passed to have the business transacted at the meeting, and
(b) the business proposed to be brought forward is ruled by the chairperson to be of great urgency.
- Such a motion can be moved without notice.*
- (4), only the mover of a motion referred to in subclause (3) can speak to the motion before it is put.”*

Questions on routine **operational matters** should be directed to the General Manager or the appropriate Director separately from and/or prior to the meeting.

- Clr Niven - requested the total expenditure on patching on the Driftway for the last three years.
→ General Manager advised this would take weeks to obtain from timesheets.
- Clr N Hughes - Clr Niven withdrew the request.
- Clr N Hughes - enquired about a derelict house on Grenfell's western approach.
→ Director Environmental Services to inspect and attend.

CLOSED COUNCIL

THE LOCAL GOVERNMENT ACT

The authority for Council to close a meeting to the public is given under Section 10 of the Local Government Act, for which the following excerpts apply:

[s 10A] Which parts of a meeting can be closed to the public?

10A

- (1) **[Meetings may be closed]** A council, or a committee of the council of which all the members are councillors, may close to the public so much of its meeting as comprises:
- (a) the discussion of any matters listed in subclause (2), or
 - (b) the receipt or discussion of any of the information so listed.
- (2) **[Grounds for closure]** The matters and information are the following:
- (a) personnel matters concerning particular individuals (other than councillors),
 - (b) the personal hardship of any resident or ratepayer,
 - (c) information that would, if disclosed, confer a commercial advantage on a person with whom the council is conducting (or proposes to conduct) business,
 - (d) commercial information of a confidential nature that would, if disclosed:
 - (i) prejudice the commercial position of the person who supplied it, or
 - (ii) confer a commercial advantage on a competitor of the council, or
 - (iii) reveal a trade secret,
 - (e) information that would, if disclosed, prejudice the maintenance of law,
 - (f) matters affecting the security of the council, councillors, council staff or council property,
 - (g) advice concerning litigation, or advice that would otherwise be privileged from production in legal proceedings on the ground of legal professional privilege
 - (h) information concerning the nature and location of a place or an item of Aboriginal significance on community land.
- (3) **[Closure of Resolution to close]** A council, or a committee of the council of which all the members are councillors, may also close to the public so much of its meeting as comprises a motion to close another part of the meeting to the public.
- (4) **[Public's right to make representations]** A council, or a committee of a council may allow members of the public to make representations to or at a meeting, before and part of the meeting is closed to the public, as to whether that part of the meeting should be closed.

[s 10C] Notice of likelihood of closure not required in urgent cases

10C Part of a meeting of a council, or of a committee of the council of which all the members are councillors, may be closed to the public while the council or committee considers a matter that has not been identified in the agenda for the meeting as a matter that is likely to be considered when the meeting is closed, but only if:

- (a) it becomes apparent during the discussion of a particular matter that the matter is a matter referred to in section 10A(2), and
- (b) the council or committee, after considering any representations made under section 10A(4), resolves that further discussion of the matter:
 - (i) should not be deferred (because of the urgency of the matter), and
 - (ii) should take place in a part of the meeting that is closed to the public.

[s 10D] Grounds for closing part of meeting to be specified

10D (1)[Record of grounds for closure] The grounds on which part of a meeting is closed must be stated in the decision to close that part of the meeting and must be recorded in the minutes of the meeting.

- (2) **[Details to be specified]** The grounds must specify the following:
- (a) the relevant provision of section 10A(2),
 - (b) the matter that is to be discussed during the closed part of the meeting,
 - (c) the reasons why the part of the meeting is being closed, including (if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret) an explanation of the way in which the discussion of the matter in an open meeting would be, on balance, contrary to the public interest.

RECOMMENDATION: That Council form a Closed Council to consider the items listed below,

AND THAT the Press and the public be excluded from the Meeting of the Closed Council because of the confidential nature of the business to be transacted, as stated below:

Note: A council, or a committee of a council, may allow members of the public to make representation to or at a meeting, before any part of the meeting is closed to the public, as to whether that part of the meeting should be closed.

188 **RESOLVED:** Clr Atchison and Clr Halls that Council form a Closed Council to consider the items listed below AND THAT the Press and the public be excluded from the Meeting of the Closed Council because of the confidential nature of the business to be transacted.
