* Please be advised that all unsealed roads within the Weddin Shire Council area are closed to vehicles **over three (3) tonne** until **10:00am Thursday 27 October 2022**, when the situation will be reviewed. School buses, Emergency Services and Council road repair plant are exempt, subject to normal risk assessment by individual operators.

Concessions are granted for residents along the above roads and upon request for urgent transport activity on routes considered suitable to carry the proposed loading. Please contact Council's engineering department for further information.

Local traffic under three (3) tonne are requested to carry out their own risk assessment prior to travel and extreme caution should be taken at all times when travelling on any open roads within the Shire.

Please avoid walking or driving through flood water. Floodwater can be very deep, rise quickly and move fast and the road may have suffered extensive damage hidden beneath the surface.

Updates on these roads will be provided on Council's website or face book page as information becomes available.

Most roads in our Shire are damaged, please drive carefully to suit the roads conditions. Further information can be provided by phoning Council's Engineering Department on (02) 6343 1212. For after hours emergencies please phone 0490 034 981, or visit www.weddin.nsw.gov.au

This plan has been prepared from information obtained from various maps and Local Government GIS data and should be used for general information only. While Weddin Shire Council strives for accuracy in the map, it cannot be held liable for any errors or omissions and the map users only accept the risk of using the map.

Please avoid walking or driving through flood waters, it may be deeper and faster flowing than anticipated and/or the road may have suffered extensive damage hidden beneath the water.
