OF THE WEDDIN SHIRE COUNCIL HELD, 21 NOVEMBER 2011**

---

**CORRESPONDENCE**

1. Division of Local Government, A3.9.3: Concerning the Review of the Model Code of Conduct for local councils and requesting submissions on position paper.

Advising the purpose of this circular is:-

1. to advise councils of the progress of the Division of Local Government's review of the Model Code of Conduct for Local Councils in NSW (the Model Code),
2. to invite submissions on a position paper prepared by the Division in relation to its reform proposal,
3. to invite registrations from persons interested in participating in regional workshops to be held to discuss the Division's reform proposal, and
4. to advise of other events the Division will be participating in for the purposes of seeking stakeholder feedback.

**Copy forwarded to Councillors**

**RECOMMENDATION:**

For Council's Consideration

**Noted**

2. NSW Rural Fire Service, E1.3.1: Advising the Rural Fire Service will again be conducting a series of Local Government Forums across the State to address a number of current and emerging issues of mutual interest between the Rural Fire Service and Local Government.

I would like to extend an invitation to all Mayors and General Managers to attend one of the six Local Government Forums that will be held during November and December.

**RECOMMENDATION:** that the Mayor and General Manager be Council's delegates to the Local Government Forum to be held in Orange on 6 December 2011.

**196** **RESOLVED:** Clr Atchison and Clr D Hughes that the Mayor and General Manager be Council's delegates to the Local Government Forum to be held in Orange on 6 December 2011.

3. Alby Schultz MP, Federal Member for Hume, H1.1.2: Regarding the advice you received from the Grenfell Combined Pensioners and Superannuants Association that the Grenfell Medicare Station previously housed at the Grenfell Pharmacy has been closed.

I raised the issue back on 3 June 2011 and issued a press release condemning the Gillard Government's act of abolishing this vital service for rural Australians. Please find enclosed a copy of that press release for you to distribute.

**Copy forwarded to Councillors**

**Correspondence Item No. 12 to Council's October Meeting refers.**

**RECOMMENDATION:** that a copy of Mr Schultz's reply be forwarded to the Grenfell Combined Pensioners and Superannuants Association.

**197** **RESOLVED:** Cllr Niven and Cllr N Hughes that a copy of Mr Schultz's reply be forwarded to the Grenfell Combined Pensioners and Superannuants Association.

4. Bogolong Aquatic Club, E3.6.4: Advising on 23 October 2011 a group of residents of the Weddin Shire held a meeting concerned with the future of Bogolong Dam.

**Copy forwarded to Councillors**

**See report by General Manager**

**Noted**

5. Local Government and Shires Association, C2.1.9: Forwarding an appalling response from the NSW Premier in relation to representations made to him by the Association's Presidents on 19 September 2011 concerning the conduct of the 2012 Local Government elections, and a copy of the Associations response sent today and signed jointly by both Presidents.

You will note that the Premier's letter does not address our concerns.

**Copies forwarded to Councillors**

**Noted**

6. Division of Local Government, A3.9.3: Forwarding Circular No. 11-35 concerning Council administered election 2012.

**Copy forwarded to Councillors**

**Noted**

7. Ian Brothers, R2.4.90: Advising 2012 will mark 100 years when Tom Sinclair started work as a pharmacist, later to give great service to this to this shire as has his daughter Roma.

**Copy forwarded to Councillors**

**RECOMMENDATION:**

For Council's Consideration

**See Town Works Committee Minutes**

**SUMMARY OF LATE CORRESPONDENCE TO BE PRESENTED TO THE  
ORDINARY MEETING OF THE WEDDIN SHIRE COUNCIL HELD 21 NOVEMBER  
2011**

---

**RECOMMENDATION:**

It is recommended that the late correspondence be received and dealt with because of the urgency of the matters.

**198**     **RESOLVED:** Clr N Hughes and Clr D Hughes that the late correspondence be received and dealt with because of the urgency of the matters.

8.     Local Government Procurement, T1.8.7: Concerning a request for tender for supply of electricity.

Local Government Procurement Pty Ltd (LGP) is pleased to have been invited to assist CENTROC councils in sourcing electricity supply. The current CENTROC councils' electricity supply agreements expire on 30 June 2012 and the LGP process will enable a new contract to take effect from 1 July 2012.

All CENTROC councils wishing to participate will be asked to have their General Manager sign a commitment form. This will bind the participants to accept LGP's recommended tender outcome where that outcome equals or betters a pre-agreed target price.

**Note: Council has benefitted from the current joint tender and the proposal to utilise LGP should also be of benefit.**

**RECOMMENDATION:** that Council agree to commit to the tender process through Local Government Procurement.

**199**     **RESOLVED:** Clr N Hughes and Clr McClelland that Council agree to commit to the tender process through Local Government Procurement.

9.     Crown Lands, R2.1.4: Advising that applications has been received to close roads within and adjoining properties of:-

- “Yarraglen” RMB8459 Barmedman-Grenfell Road (Mary Gilmore Way) Grenfell; within and adjoining the property at RMB239 Eualdrie Road, Grenfell; within and adjoining the property of “Lauriceville” RMB160 Eualdrie Road, Grenfell (File ref: 11/12003)
- “Inverness” RMB288 Adelargo Road, Grenfell and within and adjoining the property of “Woodcrest Park” RMB224 Adelargo Road, Grenfell and within and adjoining the property at RMB5248 Mid Western Highway, Grenfell and within and adjoining the property of “Clare Park” RMB4868 Mid Western Highway, Grenfell and the property of “Tanamera” Mid Western Highway, Grenfell (File ref: 11/11276)

Would you please consider whether Weddin Shire Council has any interests which may be affected by the closing of the roads.

**RECOMMENDATION:** that subject to satisfactory inspection, Council have no objections to the closing of the road.

- 200**     **RESOLVED:** Clr Halls and Clr McClelland that subject to satisfactory inspection, Council have no objections to the closing of the road.
- 201**     **RESOLVED:** Clr Atchison and Clr Lobb that the Correspondence be noted except where otherwise resolved.

## THE GENERAL MANAGER'S ORDINARY REPORT

### 2. Comparative Information on Councils 2009/2010, C2.10.1

The Department of Local Government has released its annual report giving comparative information on a number of key performance indicators for all councils in NSW. The councils are separated into like groups according to the Australian Local Government Classification System, with Weddin falling into Group 9 with another 21 councils.

Other councils in this group are:

Balranald	Gundagai
Bogan	Guyra
Bombala	Harden
Boorowa	Hay
Bourke	Lockhart
Carrathool	Murrumbidgee
Central Darling	Tumbarumba
Coolamon	Wakool
Coonamble	Walcha
Gilgandra	Warren
Gloucester	

A summary of this council's performance compared with the group average follows. As a general comment, Weddin performs well in most measures, but was again the second lowest in the State for Community Services Expenses per capita (behind Tenterfield).

The full report is available on the Department's website at [www.dlg.nsw.gov.au](http://www.dlg.nsw.gov.au).

## THE GENERAL MANAGER'S ORDINARY REPORT

### 3. Number of Councillors, C2.2.1

My report to Council's September Meeting refers.

Notice of Council's intention to reduce the number of councillors from ten to nine was placed on public exhibition for the prescribed 42 days, with no submissions being received from the public.

Council may now proceed to finalise this matter which must be notified to the Minister for Local Government by 28 November 2011.

#### **RECOMMENDATION:**

It is recommended that in accordance with section 224A of the Local Government Act, Weddin Shire Council apply to the Minister for Local Government for approval to reduce the number of councillors from ten to nine.

**202**     **RESOLVED:** Cllr Atchison and Cllr N Hughes that in accordance with section 224A of the Local Government Act, Weddin Shire Council apply to the Minister for Local Government for approval to reduce the number of councillors from ten to nine.

### 4. Bogolong Dam T3.6.4

Central Tablelands Water has invited expressions of interest closing 2 December for the purchase of Bogolong Dam. A group of local community members has indicated their intention to respond and has requested a letter of support from this Council (see correspondence item 4).

A copy of the Central Tablelands business paper report regarding this matter is being forwarded to councillors. The General Manager states that Bogolong Dam is no longer listed by the Dams Safety Committee which removes much (but possibly not all) of the need to carry out expensive studies, inspections and upgrades. In the light of this advice, it may be appropriate for this council to reconsider whether the best option for the local community is to acquire the dam itself and set up a section 355 committee to operate the facility.

Prior to a decision, it will be necessary to ascertain any likely liabilities including defects, repairs, annual maintenance and any additional insurance costs.

#### **RECOMMENDATION:**

It is recommended that:-

- i) Council request Central Tablelands Water to defer any action on the expressions of interest pending negotiations with this council,
- ii) the Executive be delegated to negotiate with Central Tablelands Water for the acquisition of the property,
- iii) a letter of support be provided to the proposed Bogolong Aquatic Club, in the event that Council decides not to proceed to acquire.

**203**     **RESOLVED:** Cllr Atchison and Cllr Halls that:-

- i) Council request Central Tablelands Water to defer any action on the expressions of interest pending negotiations with this council,
- ii) the Executive be delegated to negotiate with Central Tablelands Water for the acquisition of the property,
- iii) a letter of support be provided to the proposed Bogolong Aquatic Club, in the event that Council decides not to proceed to acquire.

### 5. Annual Report 2010/2011, C2.3.1

The 2010/2011 Annual Report is required to be submitted to the Department of Local Government by 30 November 2011.

The report is currently being finalised and a draft copy will be on display at the Council meeting. A copy of the final Annual Report will be provided to all Councillors after adoption.

The comprehensive State of Environment Report has also been prepared as an Appendix to the Annual Report.

The Financial Statements for 2010/2011 have also been prepared as an Appendix.

Copies of the State of Environment Report and the Annual Statements will be available on request.

#### **RECOMMENDATION:**

It is recommended that the Annual Report for 2010/2011 including the State of Environment Report be adopted, with the Annual Statements to be separately considered.

**204** **RESOLVED:** Cllr N Hughes and Cllr D Hughes that the Annual Report for 2010/2011 including the State of Environment Report be adopted, with the Annual Statements to be separately considered.

### 6. Grenfell Doctor Situation, H1.1.2

Previous reports refer.

The Area Health Service has advised that Dr Patrick is collating the documentation for his visa and for submission to the College of General Practitioners. It is understood that obtaining some of the formal documentation can be a lengthy process in African countries.

An enquiry has been received from Dr Patrick regarding the furnishing of the house as he may prefer to ship his own possessions. Negotiations on this matter are proceeding.

At this stage no commencement date has been advised.

**For Information**

**Noted**

### 7. Enquiry from Doctor, H1.1.2

On 20 October the Acting General Manager received a telephone call from a Penrith based doctor, enquiring about the position at Grenfell. A report of this conversation was forwarded to all councillors on 21 October 2011. As reported by the Acting General Manager, the doctor had not been made aware that one doctor was already currently practicing in Grenfell and another doctor had been engaged and he lost interest once this was explained.

## THE GENERAL MANAGER'S ORDINARY REPORT

---

I spoke to the doctor on 8 November and he confirmed the matters reported by the Acting General Manager. He was not interested in being the third doctor or taking on a short-term position until Dr Patrick arrives. Cancellation of Dr Patrick was not an option as this would have wasted all the effort put in by the Area Health Service and, more importantly, would have put future cooperation at risk.

It is possible that this doctor may have been able to fill the position had he contacted the Area Health Service prior to the engagement of Dr Patrick. However there were many aspects to be resolved including accommodation, surgery and equipment rental, VMO accreditation, and any necessary support from Council, and residents may not have been happy with the prospect of a pool of doctors rotating from shift to shift. Nevertheless his contact details have been referred to the Area Health Service should another need arise in the future.

Mr Brian Thoroughgood has forwarded a copy of a letter sent to the Federal local member Alby Schultz and the State local member Katrina Hodgkinson in which he makes unsubstantiated claims about the handling of this matter. I have spoken to both electoral offices and been assured that the claims have not been accepted.

### **RECOMMENDATION:**

It is recommended that the actions of the Acting General Manager be confirmed, an explanatory letter for forwarded to both the State and Federal local members, and Mr Thoroughgood be so advised.

**205      RESOLVED: Clr D Hughes and Clr N Hughes that the actions of the Acting General Manager be confirmed, an explanatory letter for forwarded to both the State and Federal local members, and Mr Thoroughgood be so advised.**

### **8.      Claims about Grenfell Businesses, T4.5.1**

A local businessman handed the Mayor a copy of a letter by Mr Brian Thoroughgood to the Member for Burrinjuck, Katrina Hodgkinson, which claims, inter alia;

*“ there has (sic) been 8 shops close in 8 months with at least another 4 on the brink”*

The letter attributes the cause for these closures to the lack of a doctor.

The letter appears to hold the local member responsible in her role as Minister for Small Business, for not doing more to obtain a doctor for Grenfell. In reality, our local member has played a strong role in applying pressure to the Minister for Health and the Area Health Service.

I subsequently wrote to Mr Thoroughgood requesting the name of the specific businesses concerned. Copies of my letter and Mr Thoroughgood's were forwarded to all councillors on 28 September 2011.

I also contacted Katrina Hodgkinson's office and was advised that a letter had been received from Mr Thoroughgood. Apparently the final letter differed slightly from the one handed to the Mayor, mainly by being countersigned by 14 local business people.

## **THE GENERAL MANAGER'S ORDINARY REPORT**

---

Mr Thoroughgood responded to my request with a lengthy diatribe which has been discussed with Council's solicitor and may contain a number of libellous statements. It also misquotes advice from Ms Hodgkinson's office which he was requested by them to correct. However no names of closed businesses were advised.

There is no argument that the absence of a doctor has affected sections of the town, some more than others. However it is highly counterproductive to have local business people running down the town and saying that it is "crumbling around you". Grenfell has just endured a prolonged drought and is yet to fully recover, but it has fared no worse by comparison with other towns and will be immeasurably helped by a good season.

Council has established a good relationship with the Member of Burrinjuck since joining her electorate. Ms Hodgkinson has been responsive to Council's requests and has been actively engaged in the doctor situation, in particular attending meetings in Grenfell and organising meetings with health officials and parliamentary representatives at Parliament House. Letters of abuse from local residents are not in the best interests of Council or the local community.

### **RECOMMENDATION:**

It is recommended that Council advise the Member for Burrinjuck, Katrina Hodgkinson, that:

- it appreciates her assistance in helping resolve the Grenfell doctor situation, and;
- it dissociates itself from the adverse comments made by Mr Brian Thoroughgood.

It is further recommended that Mr Thoroughgood's letter be referred to Council's solicitor for advice.

### **206 RESOLVED: Clr D Hughes and Clr N Hughes that:-**

- i) Council advise the Member for Burrinjuck, Katrina Hodgkinson, that:
  - it appreciates her assistance in helping resolve the Grenfell doctor situation, and;
  - it dissociates itself from the adverse comments made by Mr Brian Thoroughgood.
- ii) Mr Thoroughgood's letter be referred to Council's solicitor for advice.
- iii) Council write to the Weddin Development Committee making them aware of the claims made in Mr Thoroughgood's letter.

**Clr Niven requested his name be recorded as being against the resolution.**

### **9. Stockpiling of Gravel, E2.3.307**

Council resolved at the September Meeting that costings for the removal of gravel from Phillips Pit (now Cliftons') be reported to the next Council Meeting. This report was deferred at the October Meeting to the November Meeting.

Engineering staff have advised as follows:-

- a signed Agreement to Property Access and Operation of Gravel Pit or Quarry was received from the new landowners through their solicitor on 28 June 2006,
- this agreement was terminated by the landowners by letter dated 15 June 2011 (see correspondence item 10 to Council's July 2011 Meeting),
- the letter also advised that an agreement had been entered into with Mitton Bros Pty Ltd and future requirements should be directed to that firm,
- at this time a total of approximately 9,000 tonnes of gravel was stockpiled at the pit.

## **THE GENERAL MANAGER'S ORDINARY REPORT**

---

Following discussions with the Director Engineering, it was agreed that it was in Council's best interests in terms of retaining the full value of its previous work and minimising the risk of having to rely on other parties, to remove the stockpiled gravel as soon as possible. Accordingly the Director Engineering contacted the landowners and was given approval to remove the stockpiled gravel before having to deal with Mitton Bros as the pit operator.

The initial work involved with this operation was carried out by contractor. Costs are as follows:-

Gaults Pit		
-	clear stockpile area	\$1,317.50
Phillips Pit		
-	clear and drain	\$310.00
-	load	\$930.00
-	haul to pit (total 900 tonnes)	\$2,266.56

The contractor was replaced by Council's gravel gang and flood damage repairs commenced on various nearby shire roads. At the end of each shift when the trucks were no longer required, a final round was hauled to Gaults Pit within the normal working day while the grader and roller finished the road surface. Costs for this work were:-

-	load	nil extra
-	haul (total 150 t)	\$532.00
-	flood damage work	\$82,525 (still in progress)

Any surplus gravel (if any) after completion of flood damage repairs will also be stockpiled at Gaults Pit: this quantity and cost are unknown at this stage.

### **Comments**

The majority of the gravel is being used for approved flood damage repairs.

The gravel stockpiled at Gaults Pit is now available for use when required for the Driftway, without the involvement of any other party. The cost of hauling this gravel is part of the estimate for the Driftway. Similarly the clearing of the stockpile areas would have been required for these other jobs and entails no additional cost.

There has been a minor extra cost of \$930 in securing this gravel, but the benefits of independent action far outweigh the cost.

### 5. Budget Review, 30 September 2011, A1.6

The budget review for the period ended 30 September 2011 is now presented for Council adoption with the variations to the original budget summarised.

**RECOMMENDATION:** that the budget review for the period ending 30 September 2011 be adopted as presented including the variations therein.

**208 RESOLVED:** Cllr Lobb and Cllr N Hughes that the budget review for the period ending 30 September 2011 be adopted as presented including the variations therein.

### 6. Budget Review Variances – Administration, A1.6

Please find detailed below explanations regarding variances in the budget review dated 30 September 2011 for the administration department. The variances that are self explanatory have not been reported on, however councillors are certainly able to make enquiries if they have concerns in any area that has not been reported:

- **CENTROC Beyond the Range Project** – additional expenditure required previously reported to and approved by Council at its July 2011 Council Meeting.

### 7. Council's Internal Reserves Review, A1.6

With the 2010/2011 Financial Statements completed a review of the level of Council's reserves has been carried out and is listed below:

Year	Total Cash Balance \$'000	Internal Restrictions \$'000	External Restrictions \$'000	Balance Unrestricted Cash \$'000
2011	5,763	4,042	816	905
2010	4,051	3,383	567	101
2009	4,205	3,335	539	331
2008	4,356	3,121	890	345
2007	5,925	4,610	1,062	253

Council's overall cash position and level of reserves increased significantly in 2011. Council is in a very healthy financial position with our reserves and in particular our employee leave entitlements 100% fully cash backed.

Our current financial situation is particularly pleasing as we have funded in cash the New Depot, Library, Tip Upgrade, the purchase of a new dwelling and the Railway Station upgrade works from the Future Capital Projects account in our internal reserves. An amount of \$300,000 has been transferred to this reserve to fund future capital projects. The amount in this account as at 30 June 2011 was \$600,000 which will assist Council in funding future capital projects.

## **THE DIRECTOR CORPORATE SERVICES' ORDINARY REPORT**

As previously stated we are currently in an excellent financial position and our cash level is beginning to increase after the completion of the above projects. The following projects that are proposed for the current financial year are to be also funded from reserves:

	\$
O'Briens Hill Development	95,000
Sewer Mains Rehabilitation	100,000
Doctors Residence	300,000
Land – Doctors Residence	50,000
Burrangong Street Surgery Upgrade	25,000
Burrangong Street Medical	75,000
Equipment/IT/Office Furniture	
	<u><b>\$645,000</b></u>

These capital works will be funded in a planned and systematic manner secure with the knowledge that the projects can be funded from the Future Capital Projects Account in our internal reserves. It is critical that we continue with our strategic approach to funding future capital projects and it is also critical that we maintain a strict financial control over our expenditure to ensure we obtain an internal surplus at the end of the financial year to enable us to transfer monies to the Future Capital Projects reserve.

Council's auditor will be in attendance prior to the November Meeting to comment on Council's strategic direction in regard to its financial resources and answer any queries Councillors may have.

### **8. Internal Audit, A1.2.2**

As previously reported the NSW Division of Local Government (DLG) have advised that a professional Internal Audit function is one of the key components of effective governance of any council.

Internal audit is described as “an independent, objective assurance and consulting activity designed to add value and improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.”

Internal audit's role is primarily one of providing independent assurance over the internal controls and risk management framework of the council. Internal audit's core competencies are in the area of internal control, risk and governance.

Internal audit's scope will include some or all of the following areas:

- Reliability and integrity of financial and operational information
- Effectiveness and efficiency of operations and resource usage
- Safeguarding of assets
- Compliance with laws, regulations, policies, procedures and contracts
- Adequacy and effectiveness of the risk management framework.

## **THE DIRECTOR CORPORATE SERVICES' ORDINARY REPORT**

---

All Councils in NSW are being advised to develop an internal audit function for the following reasons:

- it supports good internal governance
- to ensure consistency with other levels of government
- to improve the effectiveness of risk management, control and governance processes
- helps to instil public confidence in an organisation's ability to operate effectively.

In accordance with the Division of Local Governments Internal Audit Guidelines the appointment of the internal auditor is the responsibility of the General Manager. Consequently, the General Manager intends to appoint IAB Services as Council's internal auditors.

**Internal Audit Bureau (IAB Services)** – is a professional government agency specialising in providing internal audit services to both State and Local Government authorities. "IAB" Services were awarded the Centroc Tender to provide internal audit services to Centroc Councils who wish to utilise their services. Apart from the Saving in the initial set up costs their would be a distinct advantage in utilising IAB Services as Council would be able to receive the benefits from economies of scale, knowledge sharing and benchmarking against other alliance and Centroc Councils.

Council has budgeted \$20,000 in the 2011/2012 estimates and IAB have indicated that after the initial set up costs the works they undertake will be within the confines of Council's budget.

Once the appointment of Councils internal auditor is made the auditor will then undertake and assist Council in the following functions:

- Determine structure of and establish an audit committee
- developing a charter/policy/audit plan
- develop and deliver the audit program

These functions when developed will be submitted to Council for formal adoption.

### **9. Conduct of 2012 Local Government Elections, C2.1.9**

The NSW Parliament has passed the Local Government (Amendment) Elections Act 2011, which now provides that council elections are to be administered by the General Manager of the Council as per Sec 296 of the Act.

However, Council may make arrangements with the Electoral Commissioner for the NSW Electoral Commission to administer the Council election.

Council staff have conducted Council elections in the past, however, in a marked departure from arrangements Council would now be required to conduct the election entirely of their own resources with no support provided by the NSW Electoral Commission. This would require Council to:-

## **THE DIRECTOR CORPORATE SERVICES' ORDINARY REPORT**

---

- appoint an independent returning officer
- appoint a substitute returning officer
- appoint polling places
- develop training packages
- develop procedures
- develop policies
- develop all stationary including stationary for the vision impaired
- prepare report on the conduct of the elections

No access would be provided to the specialised software to electronically analyse the election data. This would be extremely difficult for the General Manager to administer particularly if various candidates formed a 'ticket' and nominated as a group.

For Council to conduct an election without the support of the Electoral Commission would be highly risky. Aside from all other aspects mentioned in this report it would require expertise in the legal interpretation of the recently amended Electoral and Local Government Acts. For this reason alone it would be prudent that the Commissioner be retained for that purpose.

The NSW Electoral Commission also has the following advantages:-

- Impartiality
- Operational Expertise
- Legal Expertise
- Access to training manuals, forms, etc
- Access to electronic voting for the aged and vision impaired
- Electoral Commissioner manages any tribunal matters
- Sophisticated software is used to analyse all votes received. Votes are "triple" entered to ensure complete integrity of data entry.

Additionally, the NSW Electoral Office advise that Council would share a returning officer with approximately three (3) other councils which will improve the speed of the election result and defray the cost of the returning officer and substitute returning officer.

The 2008 election cost was approximately \$24,000 which included a referendum. The NSW Electoral Commission will not advise the cost until they are aware of how many Council's will utilise them to conduct their elections. However, they have indicated that as a guide it should be a similar figure to the previous election.

The Australian Electoral Company (AEC) a Queensland based company have also provided the Mid Lachlan Alliance Councils with a quote to conduct the election which was above the Electoral Commission's indicated cost. AEC have previously administered elections in Queensland however at this stage they have no experience in NSW.

It may be prudent to engage the Electoral Commission to conduct the 2012 Local Government Elections with further consideration given to the conduct of future elections prior to the 2016 election.

**RECOMMENDATION:** that Council engage the NSW Electoral Commission to conduct the 2012 NSW Local Government election.

**209      RESOLVED:**    Clr Niven and Clr N Hughes that Council engage the NSW Electoral Commission to conduct the 2012 NSW Local Government election.

### **14. 2010/2011 Financial Statements, A1.6**

The 2010/2011 Financial Statements have been completed and audited with the reports sent to the Division of Local Government. A copy of the audit report is being forwarded separately for Councillors information with a copy of the Annual Statements being tabled at the meeting.

Section 418 of the Local Government Act (1993) requires that as soon as practical after Council receives a copy of the audit report it must fix a date for the meeting at which it proposes to present its audited financial reports together with the audit report to the public. Furthermore, Council must give notice of the date fixed. The Financial Statements have been advertised in the Grenfell Record with the date of the presentation to the public being 21 November 2011.

Mr John O'Malley of Morse Group will be in attendance prior to the meeting at 4.30 pm to deliver a presentation in regard to the reports and answer any queries Councillors may have.

**RECOMMENDATION:** that Council formally adopt the Auditors Report and present the 2010/2011 Financial Statements to the public.

- 210**     **RESOLVED:** Clr Halls and Clr Atchison that Council formally adopt the Auditors Report and present the 2010/2011 Financial Statements to the public.

**212** **RESOLVED:** Cllr N Hughes and Cllr McClelland that Council write to the ARTC and the Livestock Health and Pest Authority advising various weeds on their lands require attention.

### **9. Flood Damage, R2.70.2**

Council continues to carry out flood damage repairs on roads as follows:-

State Roads	- completed
Regional Roads	- 23% completed
Local Roads	- 63% completed

**For Information**

**Noted**

### 10. Road Closure Applications, R2.1.4

Council has received advice from Crown Lands that the Minister for Lands proposes to consider the closing of the roads in the following areas:-

- All those east of, within and adjoining property of Daryl & Elizabeth Barnett, Bumbaldry and west of Kangaroo Road and within and north of the property of "Tamcory" 2626 Mid Western Highway, Bumbaldry (File ref: 11/10833),
- Those South of Town of Cowra; located East of Lachlan Valley Way and South of Lachlan River and West of Neila Road and Mountain View Road; inclusive of roads within and adjoining properties of "Dalroy", "The Grange" and "Avoca". (File Ref: 11/11600)
- Those North-West of Town of Wattamondara; located East of property of "Avonmore" and South of property of "Welivere" and Oakville Road and West of Broula Road and North of property of "Clarendon", including roads adjoining and situated within the property of "Oakville"; also road located East of Broula Road and adjoining the North-Western boundary of property of "Springview". (File Ref: 11/10873)
- Those West of Town of Cowra; located South of Barryrennie Road and West of Tallarook Road and North of property of "Welcome Springs" and East of property of "Rigadoon". (File Ref: 11/12055)
- Those West of Town of Koorawatha; located South of Watts Lane and West of Warrendale Road and North of Koorawatha Road and East of Greenethorpe-Koorawatha Road, inclusive of roads adjoining and within properties of "Glenview", "Springvale", "Pinkenton", "Warrendale", "Warrangong" and "Hillcrest"; also road East of Waterfall Road and South of property of "Pine Hill" and West of Koorowatha or Back Creek, within the property of "Carana". (File Ref: 11/11089)

There is a section of Council road reserve which is on the eastern end of Adams Lane and which is not over the existing constructed road. Council should consider the creation of a road reserve over the existing constructed road.

The other roads have been inspected and are either in Cowra Shire, or have not been used or maintained as a road. These roads would not be required by Weddin Shire Council. A copy of the plan will be available at the meeting.

**RECOMMENDATION:** that Council:-

- i) object to the closure of the road east of Adams Lane unless the Authority creates a road reserve over the existing constructed road.
- ii) have no objection to the closure of the remainder of the above listed roads.

**213** **RESOLVED:** Clr Lobb and Clr Atchison that Council:-

- i) object to the closure of the road east of Adams Lane unless the Authority creates a road reserve over the existing constructed road.
- ii) have no objection to the closure of the remainder of the above listed roads.

### 11. Little Athletics, C1.2.10/P2.1.6

The request by Little Athletics has again been referred to Grenfell Junior Cricket Club and the Grenfell Junior Rugby League Club requesting comments on the proposed upgrade of Top Lawson Oval. No replies have been received to date. However the Secretary of both Clubs verbally advised no objection to the proposal and was supportive of the extra use of Top Lawson Oval.

As previously advised, Grenfell Junior Soccer Club Inc has offered support for the project, with the request to be involved in the process of making plans of the layout.

No Development Consent is required as the proposed upgrade is consistent with the current use of the land.

**RECOMMENDATION:** that Council approve the proposal in principle subject to the plans being formally accepted by the Grenfell Junior Soccer Club Inc and final plans being submitted to Council for approval.

**214** **RESOLVED:** Cllr Atchison and Cllr D Hughes that Council approve the proposal in principle subject to the plans being formally accepted by the Grenfell Junior Soccer Club Inc and final plans being submitted to Council for approval.

### 12. Long Term Financial Plan for Assets, C2.10.7

Council's staff have attended training in Griffith and Albury under the IPWEA's Asset Management for Small, Regional and Remote Communities course.

Mr Jeff Roorda from JPA was engaged under the Commonwealth Local Government Reform Fund assistance program to complete Council's Asset Management Improvement Programme.

The key objectives are:-

1. Facilitate Councils completion of Council's Asset Management Policy, Asset Management Strategy and Asset Management Plans using NAMS templates models and tools.
2. Provide an online asset management system that links to the NAMS.PLUS models and tools to enable Council to keep the asset register up to date and provides an audit trail and documented business process for changes to the asset register.
3. Provide support services as needed for predictive modelling for asset management plans and financial reporting.

Mr Roorda visited Council on 24 and 25 October 2011. Council's staff have provided Council asset registers for transport (roads) and plant, drainage, sewer, buildings, parks and waste with replacement cost, renewal cost, useful life and remaining life for those components.

## **THE DIRECTOR ENGINEERING'S ORDINARY REPORT**

---

Mr Roorda will complete the asset management plans strategy and policy based on the long term financial plan.

Mr Roorda has indicated that this work will be completed in a few weeks time.

**For Information**

**Noted**

### **13. Bushfire Management Committee Meeting, E1.3.8**

The Deputy Mayor and the Director Engineering attended the Bushfire Management Committee Meeting in Forbes on 26 October 2011.

The following matters were discussed:-

- Bushfire danger period commenced on 1 October 2011,
- Land behind Grenfell Showground - hazard reduction burn 70% completed,
- Councils to submit the hazard reduction program for 2011/2012 to Rural Fire Service (Weddin has previously submitted its programme),
- Rural Fire Service requires environmental approval for activities such as bushfire hazard reduction, clearing, fire trail construction and maintenance etc,
- Heavy Plant Register Agreement not signed by Council as yet as Council's insurer is not happy with the wording. Rural Fire Service is reinvestigating the document,
- All four Councils are carrying out roadside slashing, spraying, grading fire trails, and carrying out hazard reduction on blocks in the towns and villages.

**For Information**

**215 RESOLVED:** Cllr N Hughes and Cllr Atchison that the issue with the Heavy Plant Register Agreement be referred to CENTROC for their consideration and comment.

### **14. Budget Review Variances – Engineering, A1.6**

Please find detailed below explanations regarding variances in the budget review dated 30 September 2011 for the engineering department. The variances that are self explanatory have not been reported on, however councillors are certainly able to make enquiries if they have concerns in any area that has not been reported:

- **Emergency Operations Centre Upgrade**– additional expenditure required previously reported to and approved by Council at its July 2011 Council Meeting.

**For Information**

**Noted**

### **15. John Holland – Rail Interface Agreement, T3.5.7**

Letter B3 refers.

John Holland Rail Pty Ltd (JHRP/L) has advised that it will take over from Australia Rail Track Corporation (ARTC) as the rail infrastructure manager of the rail country regional network as from 00:01 hours on 15 January 2012 for a period of ten years.

JHRP/L will seek to enter into a rail interface agreement with Council. To date this Council has not entered into an interface agreement with ARTC as the proposed agreement has a number of flaws and insurance issues. This agreement is currently being assessed by CENTROC as most CENTROC councils will need to sign the agreement at some stage.

A further report will be submitted when the agreement proforma is finalised.

**For Information**

**Noted**

### **16. B-Double Access in Weddin Shire, T3.6.2**

Council has received a request from Brooks Logistics Pty Ltd for B-Double route approvals in the Weddin Shire. Mary Gilmore Way from the Morans Road intersection westerly to the Bland Shire boundary.

There is also a request from Bribbaree Silo Committee for a trial of road trains into Bribbaree, Quandialla and Caragabal roads in Weddin Shire.

The route standard for MR 398 is a 7 metre seal on an 8 metre pavement. Council has been progressively widening MR 398 for the last 10 – 12 years using Roads and Maritime Services (RMS) Repair Program and the Block Grant funds on a 1:1 basis. In recent years Council has been successful in obtaining Repair funding of \$150,000 to carry out up to a 5 km length of widening. Also, the Bimbi Bridge was replaced using the Timber Bridge Replacement Programme funding and Block Grant funding about 2 years ago. This has allowed the road to be opened for B-Double use as far as the Morans Road turnoff and including Morans Road to the Young Shire boundary. The distance between Morans Road turn off along MR 398 to the Bland boundary is 12.4 km. 2.5 km has been widened to be route standard from the Bland boundary towards Bimbi, leaving 9.9 km to widen and strengthen over an existing poor subgrade. This section is approximately 5.2 metres wide which is insufficient width for two B-Doubles to pass safely without travelling on the unconstructed shoulder.

Council has recently accepted a Repair Grant of \$150,000 (1:1 grant) from RMS to widen a further 4-5 km in this financial year. If funding is available next year, the road will be at the route standard, and can be assessed for B-Double usage.

Discussions with Council's insurer have indicated that all proposed B-Double routes must be assessed using the RMS assessment criteria and cannot be approved on a Council wide basis. Many of Council's roads would not comply due to width, culvert and gravel and curve issues and would require significant funds to upgrade these roads to B-Double standards.

## **THE DIRECTOR ENGINEERING'S ORDINARY REPORT**

---

Advice from the RMS on road train usage is that road trains are not approved east of the Newell Highway.

### **RECOMMENDATION:** that:-

- i) Council advise Brooks Logistics Pty Ltd that it is not prepared to approve the extension of the B-Double route along MR398 (Mary Gilmore Way) from Morans Road to the Bland boundary until the route standard was achieved,
- ii) Council advise Bribbaree Silo Committee that road trains are not currently allowed east of the Newell Highway, and that each Council road would require an assessment to be carried out prior to Council approving the use of the road by B-Doubles.

### **216      RESOLVED:** Clr Lobb and Clr Atchison that:-

- i) Council advise Brooks Logistics Pty Ltd that it is not prepared to approve the extension of the B-Double route along MR398 (Mary Gilmore Way) from Morans Road to the Bland boundary until the route standard was achieved,
- ii) Council advise Bribbaree Silo Committee that road trains are not currently allowed east of the Newell Highway, and that each Council road would require an assessment to be carried out prior to Council approving the use of the road by B-Doubles.

## **W TWOHILL** **DIRECTOR ENGINEERING**

### **217      RESOLVED:** Clr Atchison and Clr Lobb that except where otherwise dealt with the Director Engineering's Report be adopted.

10 November 2011

The General Manager  
Weddin Shire Council  
PO Box 125  
GRENFELL NSW 2810

Dear Sir

I wish to report to Council as follows:-

**A. Public Health and Environmental Matters**

**1. Sewerage Treatment Works, S1.1.1**

Total inflow through the Works during October 2011 was 11,192 kl with the daily average of 361.03 kl. With outflow for irrigation for reuse being 1,420kl and discharge to Emu Creek being 9,322 kl.

The highest daily recording of 495 kl occurred for the 24 hours ending 6.30 am on 2 October 2011 and the lowest of 297 kl for the 24 hours ending 6.30 am on 29 October 2011.

A total rainfall of 61mm was recorded for the month.

**For Council's Information**

**Noted**

## **DIRECTOR ENVIRONMENTAL SERVICES' REPORT TO COUNCIL**

### **2. Animal Control, A4.4.4**

Animal control activities for October 2011 were:

#### **a. Companion Animals**

Animals Seized:	0	Animals Returned to Owners:	0
Animals Impounded:	4 (3Dogs, 1 Cat)	Animals Destroyed:	0
Animals Sold:	1 (Dog)	Animals Released:	1 (Dog)
Animals Surrendered:	0	Animals to Org. for Rehoming:	0

**For Council's Information**

**Noted**

### **3. Caravan Park Operations, P2.3.3**

Income for the month of October 2011 was \$6,834.00 with expenditure of \$3,763.75 resulting in an operational profit of \$3,070.25 for the month.

The park access has been upgraded with a concrete driveway crossing being installed.

There were 261 sites occupied for the month of October 2011.

**For Council's Information**

**Noted**

### **4. Grenfell Swimming Pool, P2.3.1**

<b>Total Attendance:</b>	<b>899</b>	<b>Other Usage</b>	<b>58</b>
<b>Daily Average:</b>	<b>59</b>	<b>Season Ticket Sales</b>	
<b>Cash Attendance:</b>	129 (Child) 23 (Adult)	Adult 6 Pensioner 2 Family 40 Child 8	
<b>Season Ticket Attendance:</b>	508 (Child) 181 (Adult)		

The pool opened 17 October 2011 and has been well utilised. Swimming Club commenced 27 November 2011 with 108 registered swimmers already.

**For Council's Information**

**Noted**

### **5. Quandialla Swimming Pool, P2.3.2**

The pool opened on the 4<sup>th</sup> November 2011, with all plant and equipment operating well.

**For Council's Information**

**Noted**

### **6. Burrangong Street Doctors Surgery – Upgrades, P2.12.9**

As previously resolved by Council upgrade works have commenced on preparing the Burrangong Street Doctors Surgery in readiness for the new Doctor.

These works include minor internal renovation to incorporate a treatment area, disabled access and amenities, painting and installation of air conditioning.

In addition to the physical works, orders have been placed for the required office furniture and medical equipment to create a fully operational facility.

All works and equipment is expected to be in place by Christmas and ready for operation early in the New Year.

**For Council's Information**

**Noted**

**7. Construction of "Huckel Close – Doctors Residence"– CD 6/2011**

As Council resolved at the October meeting, contracts have now been signed with Hotondo Homes (SR & LN Gilmore) for the construction of a Brick Veneer Dwelling at Lot 117 No. 8 Huckel Close, Grenfell.

Works are expected to commence on the site in mid-November, with many of the materials now selected and ordered by the builder.

The required consents have been obtained, with the buildings Home Owners Warranty pending.

Regular updates will be reported throughout the construction phase.

**For Council's Information**

**Noted**

**8. National Rural & Remote Health Infrastructure Program: Round Six, G2.9.1**

It has come to Council's attention that round six of the National Rural & Remote Health Infrastructure Program opened on the 8<sup>th</sup> October 2011.

Council has previously applied for funding for the creation of a Medical Centre at the Weddin Street Surgery under this program, with each time being unsuccessful.

It is proposed that a new application be prepared for the Weddin Street Surgery and submitted prior to the 15<sup>th</sup> December 2011 closing date.

**For Council's Information**

**Noted**

**9. Grenfell Waste Depot, E3.3.2**

Earthworks are currently being undertaken at the Grenfell Waste Depot to construct additional smaller building and green waste cells within the public access areas.

On the tip face main general waste cell is going to be temporarily covered and a smaller cell to the south increased for future use.

**For Council's Information**

**Noted**

### **10. Budget Review Variances - Environmental, A1.6**

Please find detailed below explanations regarding variances in the budget review dated 30 September 2011 for the Environmental Services Department. The variances that are self-explanatory have not been reported on; however Councillors are certainly able to make enquiries if they have concerns in any area that has not been reported:

#### **Saving**

- Sec 64 Developer charges: \$14,000 above budget – payment of charges from large development.

#### **Additional expenditure**

- **Grenfell Pool – leak repairs:** \$15,824 – works to reduce water leakage (including renewal of pipe work and concreting) and installation of reclaim system. A large portion of these costs will be covered by a re-election of under expended Pool OH & S funds.

**For Information**

**Noted**

### **11. Grenfell Swimming Pool, P2.3.1**

As reported to the October Council meeting, continuing water leaks at the pool could not be located however a reuse system for the lost water has been installed as an interim measure.

It was noted that a full review of all available improvement options would need to be prepared for Council's consideration in the future.

Due to the specialist nature of aquatic design and technology it is recommended that an appropriately skilled consultant be engaged to provide a report of suitable options, including estimated costs.

Initial discussions have been held with Mr Stephen Johansson from Facility Design Group (FDG) about their ability to provide such a report. FDG are very experienced in aquatic and recreational facility design, having designed and managed all of the upgrades of the pools in the surrounding Councils and they understand that money is a very important consideration.

FDG have provided a quotation for the investigation and report, with the cost being \$6,000.

It is believed that this report will provide direction to Council on the most sustainable long term option and would be completed for consideration prior to the 2012/13 estimates period.

#### **RECOMMENDATION: that:-**

1. Council engage the Services of Facility Design Group to prepare an options report for the future upgrade of the Grenfell Pool,
2. the report be funded in a future quarterly budget review.

#### **218 RESOLVED: Cllr Atchison and Cllr Halls that:-**

1. Council engage the Services of Facility Design Group to prepare an options report for the future upgrade of the Grenfell Pool,
2. the report be funded in a future quarterly budget review.

## **DIRECTOR ENVIRONMENTAL SERVICES' REPORT TO COUNCIL**

### **B. Planning and Development Matters:**

#### **1. Development Applications**

The undermentioned applications were received and determined subject to specified conditions, by the General Manager under delegated authority issued on 22 January 2009 (Res. No. 367):

<b>DA NO.</b>	<b>Applicant</b>	<b>Construction</b>	<b>Value (\$)</b>	<b>Address</b>
36/2011	BJ Virtue & A Ladlow	Subdivision	\$0	Lot: 1 DP: 1115420 & Lot: 1 DP: 338500 North & Star Street GRENFELL NSW 2810

**For Council's Information**

**Noted**

#### **3. Local Environmental Plan (LEP) Acceleration Fund, T2.1.6**

As previously reported, the tender for the Rural Lands Use Study under the Local Environmental Plan (LEP) Acceleration Fund was to be called again as the previous costs were well above budget.

Department of Planning obtained a quotation for the works and invited the Director Environmental Services to be on the assessment panel for the Weddin tender, in Sydney on the 16<sup>th</sup> November 2011 with all costs cover by the Department.

## **DIRECTOR ENVIRONMENTAL SERVICES' REPORT TO COUNCIL**

---

The invitation has been accepted and it is hoped that a verbal update will be able to be given at the meeting, with the project to start prior to Christmas.

**For Council's Information**

**Noted**

### **4. DA 2/2011 – New dwelling and Associated Earthworks**

Applicant:	Andys Design & Drafting
Owner:	Newcastle Commodities
Site:	Lot: 3 DP: 1134749 O'Brien Street, Grenfell

As previously advised the Order 15 as prescribed under the provision of Section 121B of the Environmental Planning & Assessment Act 1979, requiring the works to comply with the development consent was issued.

Some rectification works have been undertaken in accordance with the order and an application for modification for an altered retaining/fencing design has been submitted. It is expected that the modification will be able to be determined under delegation as the changes now appear to comply with Council policy and development controls.

The Order as issued still remains enforced on the property and will do so until Council is satisfied that all matters identified have been made compliant.

**For Council's Information**

**Clr McClelland previously submitted a written declaration of interest and left the room.**

**Noted**

**Clr McClelland returned to the room.**

### **5. Review of Policy No. 10.4.2 –Policy for Fencing General, C2.4.15**

Council resolved at the October ordinary meeting, that the Policy for General Fencing be deferred for consideration to the November 2011 Council Meeting. Further, that Councillors be reissued with a copy of the policy and written submissions from Councillors be forwarded to the Director Environmental Services prior to the next Council meeting.

Further to this resolution, the policy was reissued and a memorandum sent to all Councillors requesting that any submissions be made by the 9<sup>th</sup> November 2011. As at this date no submissions had been received.

The change of wording from solid masonry to solid construction has been now included in the final draft policy and as there have been no submissions during the Councillor or public exhibition periods; the policy is again tabled for final adoption.

**RECOMMENDATION:** that Council resolve to adopt the Policy 10.4.3 – Policy for Fencing General.

- 219**     **RESOLVED:** Cllr Atchison and Cllr Lobb that Council resolve to adopt the Policy 10.4.3 – Policy for Fencing General.

### **6.     Fencing Application – 85 Cowra Road, Grenfell, B1.11.3**

#### **History**

An application to erect fencing at 85 Cowra Road, Grenfell was lodged on the 26<sup>th</sup> August 2011.

Upon review the height and style of the proposed fence were found not to comply with the requirements of the Policy for General Fencing 10.4.2.

The applicant was given the opportunity to either modify the application or provide detailed justification as to why compliance with the policy cannot be achieved.

The applicant has submitted a letter seeking further consideration (copy forwarded to Councillors), therefore requiring Council to consider modifying the current fencing policy.

#### **The site**

The property is located nearly at the bottom of the hill on Cowra Road, which also is the transition point of a slight bend. The current frontage is landscaped with a number of bushes that are up to 8m high, with the distance from the property boundary to the kerb & gutter is less than 3.5m.

This section of the road is signposted at 50km/h and has the southern side of the road identified as a No-Parking area.

The vacant adjoining land to the west has a 1.2m high solid metal fence erected along the frontage of lot; however the access to the site appears to be secondary to the main driveway on O'Brien Street. No records can be found which identify this section of fence every being formally approved by Council.

#### **The proposal**

The proposed fence is to be located on the Cowra Road frontage of the property and would be solid construction at 1.3m high and be approximately 14m long.

#### **The Policy**

The *Policy for General Fencing 10.4.2* requires that:

*6.1     d)     Fencing erected along the street frontage shall be of an open design and shall not exceed 1.2 metres in height above the finished level of the public footway OR may be of solid masonry to a height of 0.9 metres above the finished level of the public footway. Corner allotments shall comply with clause i) of this Part.*

#### **Applicants Submission**

D & M Troth provide the following justification as to why variation to the policy is warranted (full details in submission):

- Privacy – property is situated on a major road and the current landscaping creates issues.
- Noise – highway traffic noise will be reduced with a higher fence.

- Aesthetic – the fence is stylish and if shortened would reduce the appeal of the fence.

Although the justification given by the applicant is not without some merit, they are not considered to provide valid reasons as to why the policy should be varied in this case. The claims of privacy loss and noise reduction are considered to be marginal as the house is set nearly 15m from the boundary and is already screened by a high and more effective barrier than the proposed fence.

### Consideration

There are two major factors to be considered for this fence in this location, these include egress safety and aesthetical suitability.

Egress safety – this site is located on a busy main road, on the bottom of a slight bend and downhill gradient. The distance from the boundary to the traffic lane is approximately 5m this creates major risks when a vehicle is reversing from the property, especially if vision is restricted due to the fence. In most cases a driver of a sedan can see over a fence to a height of 900mm; however a solid fence at 1.3m high in this location will restrict vision of approaching cars and pedestrians in most cases.

Aesthetics – the fence design and photos supplied with the application, actually appear to be of a fence that is far greater height than the proposed 1.3m and the fact that only detail type photos have been provided. This makes the assessment of suitability difficult and does not really support the claims that the appearance will be lost if reduced a further 400mm.

Having considered all of the facts for this type of fence in this location and the policy, I believe that the construction of this fence as proposed may obstruct vision of vehicles reversing out onto the main road, which could result in a major accident.

**RECOMMENDATION:** that Council resolve to:

**Refuse** the request to vary the Policy for General Fencing 10.4.2 for the proposed 1.3m high solid metal fence to be located on the Cowra Road frontage as the structure will obstruct the vision of drivers reversing out of the property.

**220 RESOLVED:** Cllr McClelland and Cllr D Hughes that Council **refuse** the request to vary the Policy for General Fencing 10.4.2 for the proposed 1.3m high solid metal fence to be located on the Cowra Road frontage as the structure will obstruct the vision of drivers reversing out of the property.

### **7. Review of determination (Condition) DA 24/2009 Proposed Staged development – 12 Lot Neighbourhood Title Subdivision and Construction of 12 dwelling units**

#### **Background**

- 20 Aug 2009 - Council conditionally approved a development application for a Staged development – 12 Lot Strata Subdivision and Construction of 12 dwellings units.
- 19 Nov 2009 - Amended by review of conditions
- 18 Feb 2010 – Modification conditionally approved to change vehicular access from Melyra Street to Grafton Street.

## **DIRECTOR ENVIRONMENTAL SERVICES' REPORT TO COUNCIL**

15 Sep 2011 – Modification conditionally approved to change from Strata Title to Neighbourhood Title.

27 Oct 2011 – Subdivision Certificate for Neighbourhood Title issues.

On the 4<sup>th</sup> November 2011, Council received a written request for one condition to be reviewed.

### **The Request and Review**

Section 96AB of the Environmental Planning and Assessment Act 1979, allows an applicant to request a review the modification of consent or parts thereof, and if Council changes a determination (as detailed in this report) then the earlier determination is automatically replaced, meaning that no rescission motion is required.

So should Council resolve to alter or remove the specific condition being challenged within this review, then the consent would be reissued and the review date placed upon the consent.

The condition requested for review is detailed below, with the review following the condition.

### **Condition # 7 – Road Construction**

*Prior to the release of the subdivision certificate for stage 1, kerb, gutter and sealing of the shoulder of the existing road along the frontage Melyra Street, to be provided in accordance with the standards of Council, with all costs to be paid by applicant. The applicant is to liaise with Council's Engineering staff, to determine the design standard and levels prior to the works commencing.*

*Reason: To ensure that the road is constructed in accordance with Council's specifications.*

### **Reason for Review**

The applicant has requested that the conditioned requirement for undertakings works in Melyra Street be removed.

The reason for the request is that the kerb & gutter and associated works are not required as the vehicular access was transferred to Grafton Street by DA modification and the foot path and driveways have been constructed along that frontage.

### **Consideration/discussion**

The condition kerb, gutter and sealing of the shoulder of the existing road along the frontage Melyra Street has been identified within each report that has been presented to Council throughout the entire time this development has been up for consideration.

The applicants claims they only became aware of the condition when they requested release of the Subdivision Certificate for Neighbourhood Title issues, as they were required to either undertake the works or make arrangements with Councils Engineering section for the works to be done.

The applicant has paid monies in trust to Council for the Melyra Street works and subsequently the Subdivision certificate was released. The costs of the works and associated claims are not matters of consideration

## **DIRECTOR ENVIRONMENTAL SERVICES' REPORT TO COUNCIL**

---

The requirements have been imposed in an attempt to provide Council and the applicant the opportunity to beautify and complete both the vehicular and pedestrian access points of this development. It is worth noting that no requirements were imposed upon the longest boundary being Tyagong Street.

The requirement for kerb & gutter and associated works for subdivision is a requirement that has been consistently applied to development consents in the Weddin Shire LGA and often is imposed on corner lots or entire road frontages. This development is considered to be substantial enough to warrant the requirement for treatment outside the property as specified.

The claims that changing the vehicular access to Grafton Street, would remove the requirement for works on Melyra Street are incorrect, as can be seen by the modified condition that was presented to Council and issued to the applicant.

Below is an extract from the previous report presented to the February 2010 Council meeting that clearly identified that the works were still proposed.

### **INFRASTRUCTURE WORKS**

*The proposed development requires some infrastructure works to be undertaken by and at the full cost of the applicant, these include:*

- *Construction of kerb and gutter along the entire Melyra Street frontage and sealing of the road shoulder adjacent to the new kerb.*
- *Construction of a concrete foot path across the entire Grafton Street frontage.*
- *Construction of a new layback to the kerb and concrete driveway on the Grafton Street frontage, with the minimum width of 5m.*
- *Head & wings walls at stormwater discharge point with the existing open drain on Tyagong Street.*

*Council's Director of Engineering is satisfied with the proposal subject to conditions contained in the draft consent.*

### **CONCLUSION**

The requirement for kerb, gutter and sealing of the shoulder of the existing road along the frontage Melyra Street is believed to be consistent and appropriate and the fact that the applicant thought they would not need to undertake these works as they changed vehicular access does not warrant the removal of this condition.

By Council enforcing the previous condition it is consistently applying the requirements and it will not financially impact the development any more than they would have originally expected, however it beautifies the development and improves access around the development.

It is the responsibility of the applicants to read, understand and acknowledge all conditions when they receive the consent.

The condition that was requested to be reviewed is detailed above. It is however noted that once this report and review have been considered that no further review can be conducted by Council and an appeal to the Court would need to be sought by the applicant for further review.

## **DIRECTOR ENVIRONMENTAL SERVICES' REPORT TO COUNCIL**

---

**RECOMMENDATION:** that the request for the alteration or removal of Condition 7 – Road Construction be **REFUSED**, as the required works are consistent with Councils approach to other similar development and the condition has been legally applied to the consent.

**Clr McClelland and Clr D Hughes previously submitted written declarations of interest and left the room.**

**MOTION:** Clr Niven and Clr Halls that the matter be deferred for consideration to the December 2011 Council Meeting.

- 221 AMENDMENT:** Clr Lobb and Clr Atchison that item B7 from the Town Works Committee Meeting be brought forward and discussed here.

Upon being put to the meeting the amendment was carried and became the motion.

The motion was then put to the meeting and was **CARRIED**.

**B7. Modification of DA 24/2009 Proposed Staged Development – 12 lot Strata Subdivision and Construction of 12 Dwelling Units**

**The Director Engineering delivered an explanation of how the cost of the kerb and gutter was calculated.**

**Noted**

- 222 RESOLVED:** Clr Atchison and Clr N Hughes that Council return to the Director Environmental Services' report item B7.

**MOTION:** Clr Niven and Clr Halls that the matter be deferred for consideration to the December 2011 Council Meeting.

Upon being put to the meeting the motion was **LOST**.

- 223 RESOLVED:** Clr Lobb and Clr Atchison that the request for the alteration or removal of Condition 7 – Road Construction be refused, as the required works are consistent with Councils approach to other similar development and the condition has been legally applied to the consent.

**226 RESOLVED:** Clr Atchison and Clr Halls that Council resume.

## **REPORT ON THE ARTS OUT WEST BOARD MEETING HELD TUESDAY, 10 NOVEMBER 2011 AT MOLONG**

Attendance: The CEO of Regional Arts NSW, Elizabeth Rogers attended this meeting as well as representatives from all councils

**Minutes of previous meeting** confirmed (copy available to Councillors)

**Business arising:** Salary Review – The Board Executive has met with the Executive Officer and continues to work on a review of the salary and the conditions of Executive Officer

**Financial Report:** Copy available to Councillors

### **Executive Officer's Report:**

#### **Funding:**

- Received notification from Northparkes Mines of \$7,500 toward the Aboriginal Arts Development Program
- Submitted application for an Aboriginal Health Program of \$91,000
- Waiting to hear on submission to Arts NSW and RAF
- Investing having a partnership ready to apply for NBN project money when it becomes available
- 2012 will be final year of current triennial funding agreement with Arts NSW; expecting to receive the same amount plus a modest CPI increase
- All councils have now paid their 2011-2012 contributions

#### **Arts & Health:**

- EO and Arts & Health coordinator have written their conference papers to be presented at the National Gallery in Canberra at the Australian Arts & Health Conference (November)
- A workshop on writing for the media was organised
- Marramarra Aboriginal Art Exhibition has been very successful. **Note:** (After liaising with the coordinator, Ted Budd, I have secured this exhibition for the Grenfell Art Gallery in July 2012, together with an aboriginal dance demonstration)
- Workshops for young people have been organised throughout the region
- Arts Media work progressing well
- Film Central is being re-launched as Screen Central. EO is chairing steering committee and AOW active in supporting the event and connecting to practitioners. Some funding from CENTROC
- AOW has now established Arts Sunday, a new partnership with Fairfax/Rural Press. The first Sunday of each month sees the website feature the front page of local press with five art stories, as submitted by AOW
- Continued reporting of events happening each month in AOW magazine and radio

AOW Business Plan discussed. Available to Councillors

Meeting closed at 7.15 pm

## QUESTIONS

**Questions** maybe put to councillors and council employees in accordance with clause 25 of the Council's **Code of Meeting Practice**, as follows:-

- “(1) A councillor:  
(a) may, through the chairperson, put a question to another councillor, and  
(b) may, through the chairperson and the General Manager, put a question to a council employee.*
- (2) However, a councillor or council employee to whom a question is put is entitled to be given reasonable notice of the question and, in particular, sufficient notice to enable reference to be made to other persons or to documents.*
- (3) The councillor must put every such question directly, succinctly, and without argument.*
- (4) The chairperson must not permit discussion on any reply or refusal to reply to a question put to a councillor or council employee under this clause. “*

Questions should not be used to introduce **business without notice**. This is covered in Clause 17 of Council's **Code of Meeting Practice**, as follows:-

- “(3) ....., business may be transacted at a meeting of a Council even though due notice of the business has not been given to the councillors. However, this can happen only if:  
(a) a motion is passed to have the business transacted at the meeting, and  
(b) the business proposed to be brought forward is ruled by the chairperson to be of great urgency.  
Such a motion can be moved without notice.*
- (4) ....., only the mover of a motion referred to in subclause (3) can speak to the motion before it is put.”*

Questions on routine **operational matters** should be directed to the General Manager or the appropriate Director separately from and/or prior to the meeting.

## CLOSED COUNCIL

### THE LOCAL GOVERNMENT ACT

The authority for Council to close a meeting to the public is given under Section 10 of the Local Government Act, for which the following excerpts apply:

***[s 10A1 Which parts of a meeting can be closed to the public?***

**10A**

- (1) ***[Meetings may be closed]*** A council, or a committee of the council of which all the members are councillors, may close to the public so much of its meeting as comprises:
- (a) the discussion of any matters listed in subclause (2), or
  - (b) the receipt or discussion of any of the information so listed.
- (2) ***[Grounds for closure]*** The matters and information are the following:
- (a) personnel matters concerning particular individuals (other than councillors),
  - (b) the personal hardship of any resident or ratepayer,
  - (c) information that would, if disclosed, confer a commercial advantage on a person with whom the council is conducting (or proposes to conduct) business,
  - (d) commercial information of a confidential nature that would, if disclosed:
    - (i) prejudice the commercial position of the person who supplied it, or
    - (ii) confer a commercial advantage on a competitor of the council, or
    - (iii) reveal a trade secret,
  - (e) information that would, if disclosed, prejudice the maintenance of law,
  - (f) matters affecting the security of the council, councillors, council staff or council property,
  - (g) advice concerning litigation, or advice that would otherwise be privileged from production in legal proceedings on the ground of legal professional privilege
  - (h) information concerning the nature and location of a place or an item of Aboriginal significance on community land.
- (3) ***[Closure of Resolution to close]*** A council, or a committee of the council of which all the members are councillors, may also close to the public so much of its meeting as comprises a motion to close another part of the meeting to the public.
- (4) ***[Public's right to make representations]*** A council, or a committee of a council may allow members of the public to make representations to or at a meeting, before and part of the meeting is closed to the public, as to whether that part of the meeting should be closed.

***[s 10C] Notice of likelihood of closure not required in urgent cases***

**10C** Part of a meeting of a council, or of a committee of the council of which all the members are councillors, may be closed to the public while the council or committee considers a matter that has not been identified in the agenda for the meeting as a matter that is likely to be considered when the meeting is closed, but only if:

- (a) it becomes apparent during the discussion of a particular matter that the matter is a matter referred to in section 10A(2), and
- (b) the council or committee, after considering any representations made under section 10A(4), resolves that further discussion of the matter:
  - (i) should not be deferred (because of the urgency of the matter), and
  - (ii) should take place in a part of the meeting that is closed to the public.

***[s 10D] Grounds for closing part of meeting to be specified***

**10D (1)[Record of grounds for closure]** The grounds on which part of a meeting is closed must be stated in the decision to close that part of the meeting and must be recorded in the minutes of the meeting.

- (2) ***[Details to be specified]*** The grounds must specify the following:
- (a) the relevant provision of section 10A(2),
  - (b) the matter that is to be discussed during the closed part of the meeting,
  - (c) the reasons why the part of the meeting is being closed, including (if the matter concerned is a matter other than a personnel matter concerning particular individuals, the personal hardship of a resident or ratepayer or a trade secret) an explanation of the way in which the discussion of the matter in an open meeting would be, on balance, contrary to the public interest.

**RECOMMENDATION:** That Council form a Closed Council to consider the items listed below,

AND THAT the Press and the public be excluded from the Meeting of the Closed Council because of the confidential nature of the business to be transacted, as stated below:

**Note:** A council, or a committee of a council, may allow members of the public to make representation to or at a meeting, before any part of the meeting is closed to the public, as to whether that part of the meeting should be closed.

**238 RESOLVED:** Cllr Atchison and Cllr Niven that Council form a Closed Council to consider the items listed below, AND THAT the Press and the public be excluded from the Meeting of the Closed Council because of the confidential nature of the business to be transacted.
