

## **WEDDIN SHIRE COUNCIL | ON PUBLIC EXHIBITION**

### **PROPOSED NAMING OF MEDIAN STRIP OPPOSITE OLIVER PARK TO LARRY MCDONALD PARK, CARAGABAL NSW 2810**

At the 21 March 2024 Ordinary Council Meeting, Council resolved to go out for public exhibition to name the median strip opposite 'Oliver Park' to 'Larry McDonald Park' in Caragabal NSW 2810.

#### **Background**

Council received a request from the Caragabal Progress Group to pursue the naming of a median strip located in Caragabal opposite 'Oliver Park' to 'Larry McDonald Park'. The Caragabal Progress Group provided a petition with the request, the petition was signed by 52 residents in Caragabal and region. The petition provided strong support to name the area Larry McDonald Park.

The Caragabal Progress Group have been unable to verify if the median strip in question was formally called Oliver Park. The concept to name the median strip to honour the well-known resident has been an idea put forward by the Caragabal Progress Group and was supported by Council (Resolution 052/24).

As Council has approved the recommendation, we now provide public notification on the naming of the median strip to 'Larry McDonald Park'. The public exhibition period of 28 days provides the community notice on the proposed naming. We welcome any input or submissions to [mail@weddin.nsw.gov.au](mailto:mail@weddin.nsw.gov.au)

Submissions must be provided by 5:00pm Friday 3 May 2024. If no submissions are received Council considers unanimous support for the naming of the median strip to Larry McDonald Park.
