

Essential road maintenance on the Mid Western Highway, Grenfell from Monday 28 April

April 2025

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is carrying out essential maintenance work on the Mid Western Highway in Grenfell.

What work are we doing?

The work will include three kilometres of heavy patching to repair damaged road surfaces and pavement.

Work will start at the intersection with Brickfield Road and finish at the intersection with Bradley Street.

We have included a map to show the location of our work area.

When we'll be working

We will be working between **7am** and **5pm** from **Monday to Saturday**, from **Monday 28 April** and we expect to complete the work by **Friday 9 May**. All work activities and dates are subject to weather and site conditions.

We will let you know in advance if we need to do any work outside these times.

What will this mean for you?

The work will involve the use of machinery, which generates some noise, as well as temporary impacts to property accesses at the work location.

We will make every effort to minimise noise where possible.

Managing our impacts

There will be some temporary traffic changes to ensure the work zone is safe.

The road will remain open with **single lane closures, intermittent stopping and a reduced speed limit of 40km/h** will be in place during work hours.

Outside of work hours please comply with the posted speed limits.

Road users should allow up to **five minutes** extra travel time. Please keep to the speed limit and follow the direction of traffic controllers and signs.
